

SB 6151 - S AMD 533

By Senator Darneille

1           On page 4, line 10, after "legislative authority." insert "A city  
2 with a population of over thirty thousand persons, which is located in  
3 a county that has not created an authority, may create an authority by  
4 resolution of the city's legislative body."

5           On page 4, line 15, after "county." insert "In the case of an  
6 authority created by a city, the boundaries of the authority service  
7 area must be coextensive with the city."

EFFECT: A city with a population of over thirty thousand persons,  
which is located in a county that has not created an authority, may  
create an authority by resolution of the city's legislative body.
