HB 1145

Title: An act relating to providing credit towards child support obligations for veterans benefits.

Brief Description: Providing credit towards child support obligations for veterans benefits.

Sponsors: Representatives Goodman, Klippert, Roberts, Orwall, Moscoso, Lias, Upthegrove, Ryu, Green, Morrell and Fey.

Brief Summary of Bill

- Provides that Veteran's Administration benefits apportioned on behalf of a child of the veteran must be treated as if the benefits are paid toward satisfaction of the veteran's child support obligation.

Hearing Date: 1/30/13

Staff: Edie Adams (786-7180).

Background:

Veteran's Administration (VA) benefits generally may not be garnished. However, federal statutes and regulations allow for the apportionment of VA benefits to provide spouses and dependents with financial support under some circumstances. The VA may apportion a veteran's pension or compensation benefits to the veteran's dependent children if the veteran is not paying his or her child support obligation. An apportionment will generally not be made if it would cause undue hardship to the veteran.

When the Social Security Administration pays Social Security disability dependency benefits, retirement benefits, or survivor's benefits on behalf of a child of a disabled, retired, or deceased person, those benefits are credited towards the parent's child support obligations for the period for which benefits are paid. A similar provision exists giving a credit to the parent when worker's compensation benefits are paid by the Department of Labor and Industries on behalf of or on account of the parent's children.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Currently, there is no statute authorizing the Division of Child Support to grant credit to an obligor parent for the amounts of the parent's VA benefits that are apportioned by the VA on behalf of the parent's dependent children.

Summary of Bill:

Veteran's Administration benefits that are apportioned to pay child support on behalf of a child of the veteran must be treated for all purposes as if the veteran paid the benefits toward the satisfaction of the veteran's child support obligation for the period for which benefits are paid.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.
