**Staff Summary of Public Testimony:**

(In support) None.

(With concerns) If the intention is to impact the campaign finance laws, then a change should be made to those laws. The practice of putting unnecessary races on the ballot increases elections costs, and the Secretary of State is trying to decrease the costs of elections. In races with one or two candidates, not having someone on the primary ballot will decrease costs.

(Opposed) The Washington State Association of County Auditors is opposed to the bill. Sometimes a ballot is very full, and adding unnecessary elections increases the size of the ballot and the cost. The auditors receive calls from voters asking why taxpayer money is being wasted on primary elections in cases where only two candidates are on the ballot for the same race. The number of unnecessary elections should be reduced.

**Persons Testifying:** (With concerns) Katie Blinn, Office of the Secretary of State.

(Opposed) Julie Anderson, Pierce County and Washington State Association of County Auditors.

**Persons Signed In To Testify But Not Testifying:** None.
