SENATE COMMITTEE ON TRANSPORTATION

Staff: Amanda Cecil (786-7429)

Background: The Department of Licensing issues various special vehicle license plates that may be used in lieu of standard plates. Generally, special license plates that are sponsored by a governmental or nonprofit organization have an additional fee that is due annually, with the proceeds benefiting a specific organization or purpose. Other special license plates are available to individuals that meet certain requirements. One such special plate is the Gold Star license plate, which may be issued to the mother or father of a member of the armed forces who died while in service and as a result of that service. Gold Star license plates are issued without payment of any license plate fees and are replaced free of charge if the plate is lost, stolen, damaged, defaced, or destroyed.

Summary of Bill: The list of individuals that are eligible to receive a Gold Star license plate is expanded to include a widow or widower, an adoptive parent, a stepparent, and a foster parent or other adult that is legally responsible for the member of the armed forces.

Appropriation: None.

Fiscal Note: Available.

Committee/Commission/Task Force Created: No.
