SENATE COMMITTEE ON HUMAN SERVICES & CORRECTIONS

Majority Report: Do pass.

Signed by Senators Carrell, Chair; Pearson, Vice Chair; Darneille, Ranking Member; Harper and Padden.

Staff: Shani Bauer (786-7468)

Background: The Department of Social and Health Services (DSHS) has authority to purchase care for Indian children who are in the custody of a federally recognized tribe or tribally licensed child-placing agency.

By December 1, 2013, the Children's Administration within DSHS must provide child welfare services and support through network administrators, rather than through contracts with individual service providers. The services provided under the network administrator model must be pursuant to performance-based contracts.

In discussing implementation of the network administrator or performance based contracting model with the tribal child welfare systems of Washington's federally recognized tribes, it became evident that the network administrator contracting model does not always fit within tribal practices and tribal culturally-based services, or within the existing government-to-government agreements.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Summary of Bill: The purchase of care or services on behalf of an Indian child who is in the custody of a federally recognized tribe or child-placing agency licensed by a tribe is exempt from the requirement that the care or services be obtained through a network administrator by virtue of a performance-based contract.

Appropriation: None.

Fiscal Note: Available.

Committee/Commission/Task Force Created: No.

Effective Date: The bill takes effect on December 1, 2013.

Staff Summary of Public Testimony: PRO: This is an administrative fix for last year's HB 2264. When DSHS met with the tribes to implement the bill, we realized that we did not have the flexibility to continue relations and government contracts with the tribes in the manner we have been operating. This bill corrects that.

Persons Testifying: PRO: Colleen Caweston, DSHS.
