A Class 4 permit is for a business that does not hold a liquor license to serve liquor without charge to employees or invited guests. The Class 4 permit fee is \$500.

A Class 6 permit allows someone operating a drug store to purchase alcohol to be sold on the prescription of a physician. The Class 6 permit fee is \$5.

Staff Summary of Public Testimony: PRO: Our college program works with local industry and is a positive influence on the local and regional economy. Washington is second only to California in wine production and this industry has been a bright spot in a down economy. We have given this serious consideration. This will improve these programs for all students.

OTHER: We are concerned about introducing alcohol to minors, and remind you of the state's zero tolerance policy on this issue. We urge that there be close supervision and oversight. We are neutral on this measure.

Persons Testifying: PRO: Steven VanAusdle, Walla Walla Community College, Tristan Hanon, Associated Students of WA State University.

OTHER: Rob Huss, WA State Patrol; Karen McCall, LCB.
