

SENATE BILL REPORT

SB 6003

As of February 4, 2014

Title: An act relating to the scope of state fire service mobilization and ensuring compliance with existing state and federal disaster response policies.

Brief Description: Addressing the scope of state fire service mobilization.

Sponsors: Senators Roach and Hasegawa.

Brief History:

Committee Activity: Governmental Operations: 1/27/14.

SENATE COMMITTEE ON GOVERNMENTAL OPERATIONS

Staff: Sam Thompson (786-7413)

Background: The state Fire Service Resource Mobilization Plan (mobilization plan) can be implemented to provide resources from around the state when a wildland fire exceeds firefighting capacity of local jurisdictions. Nonhost fire protection authorities are eligible for reimbursement of expenses. It has been suggested that clear authority is necessary to authorize mobilization in response to other emergencies, including earthquakes, floods, and the spread of contagious disease.

Summary of Bill: Mobilization plan provisions are revised to authorize mobilization of risk resources regularly provided by fire departments, fire districts, and regional fire protection authorities, including but not limited to wildland fires, earthquakes, floods, and contagious diseases. Nonhost fire protection authorities are eligible for reimbursement of expenses if a mobilization meets requirements identified in the mobilization plan.

Appropriation: None.

Fiscal Note: Available.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Staff Summary of Public Testimony: PRO: This measure provides clear authority for fire protection authorities to mobilize in response to disasters other than fires. Firefighters are trained to do more than fight fires.

Persons Testifying: PRO: Dylan Doty and Wayne Senter, WA Fire Chiefs Assn.
