
HOUSE BILL 1320

State of Washington

63rd Legislature

2013 Regular Session

By Representatives Zeiger, Sequist, Haler, Pollet, Magendanz, Bergquist, Moscoso, Morrell, and Tarleton

Read first time 01/23/13. Referred to Committee on Higher Education.

1 AN ACT Relating to an online higher education transfer and student
2 advising system; and adding a new section to chapter 28B.77 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.77 RCW
5 to read as follows:

6 (1) By September 1, 2014, the council, in conjunction with the
7 state board for community and technical colleges, the workforce
8 training and education coordinating board, the four-year institutions
9 of higher education, nonprofit institutions of higher education, and
10 for-profit institutions of higher education shall establish and
11 maintain a statewide online transfer and student advising system that
12 integrates information related to programs, advising, registration,
13 admissions, and transfer. The system must be easily accessible to all
14 Washington high school students and their parents or guardians, higher
15 education students, faculty, counselors, advisors, and other
16 professional staff. The purpose of the system is to:

17 (a) Assist students to access higher education program information
18 easily and speed completion of their education programs by clarifying

1 and simplifying the process for researching programs, resources, and
2 transferability of courses; and

3 (b) Improve efficiency of service delivery to students for
4 institutions of higher education.

5 (2) The online transfer and student advising system must:

6 (a) Integrate with web sites maintained by the council, the state
7 board for community and technical colleges, the workforce training and
8 education coordinating board, institutions of higher education, and
9 other web sites to provide an inventory of postsecondary degrees and
10 certificates available in the state, including online options; and
11 outline educational requirements for various occupations, including
12 labor market information;

13 (b) Specify educational requirements, admissions requirements, and
14 prerequisites for all postsecondary programs;

15 (c) Identify course options that meet the requirements of a
16 selected path toward a degree or certificate;

17 (d) Provide registration and admissions information for
18 institutions of higher education;

19 (e) Provide a method for students to assess which courses and
20 programs are transferrable from one institution of higher education to
21 another; and which programs will transfer with credit towards
22 completion of their chosen degree or certificate; and

23 (f) Provide information regarding student financial aid and other
24 services that assist students to research, access, and complete degrees
25 and certificates.

26 (3) The council, the state board for community and technical
27 colleges, the workforce training and education coordinating board, the
28 four-year institutions of higher education, nonprofit institutions of
29 higher education, and for-profit institutions of higher education shall
30 sign a memorandum of understanding that specifies roles and
31 responsibilities regarding the design, implementation, promotion,
32 development, maintenance, and analysis of the effectiveness of the
33 online transfer and student advising system.
