3 **Sec. 2.** RCW 52.26.230 and 2004 c 129 s 29 are each amended to read
4 as follows:

5 (1) Not fewer than ten days nor more than six months before the
6 election at which the proposition to impose the benefit charge is
7 submitted as provided in this chapter, the governing board of the
8 regional fire protection service authority, or the planning committee
9 if the benefit charge is proposed as part of the initial formation of
10 the authority, shall hold a public hearing specifically setting forth
11 its proposal to impose benefit charges for the support of its legally
12 authorized activities that will maintain or improve the services
13 afforded in the authority. A report of the public hearing shall be
14 filed with the county treasurer of each county in which the property is
15 located and be available for public inspection.

16 (2) Prior to November 15th of each year the governing board of the
17 authority shall hold a public hearing to review and establish the
18 regional fire protection service authority benefit charges for the
19 subsequent year.

20 (3) All resolutions imposing or changing the benefit charges must
21 be filed with the county treasurer or treasurers of each county in
22 which the property is located, together with the record of each public
23 hearing, before November 30th immediately preceding the year in which
24 the benefit charges are to be collected on behalf of the authority.

25 (4) After the benefit charges have been established, the owners of
26 the property subject to the charge must be notified of the amount of
27 the charge.

28 **Sec. 3.** RCW 84.55.092 and 1998 c 16 s 3 are each amended to read
29 as follows:

30 The regular property tax levy for each taxing district other than
31 the state may be set at the amount which would be allowed otherwise
32 under this chapter if the regular property tax levy for the district
33 for taxes due in prior years beginning with 1986 had been set at the
34 full amount allowed under this chapter including any levy authorized
35 under RCW 52.16.160 or 52.26.140(1)(c) that would have been imposed but

1 for the limitation in RCW 52.18.065 or 52.26.240, applicable upon
2 imposition of the benefit charge under chapter 52.18 RCW or RCW
3 52.26.180.

4 The purpose of this section is to remove the incentive for a taxing
5 district to maintain its tax levy at the maximum level permitted under
6 this chapter, and to protect the future levy capacity of a taxing
7 district that reduces its tax levy below the level that it otherwise
8 could impose under this chapter, by removing the adverse consequences
9 to future levy capacities resulting from such levy reductions.
