1 AN ACT Relating to mid-level dental professionals; amending RCW
2 18.32.030, 18.32.0351, 18.260.010, 18.260.040, 18.260.070, 18.260.080,
3 and 69.41.010; reenacting and amending RCW 18.120.020, 18.120.020,
4 18.130.040, 18.130.040, and 69.41.030; adding a new chapter to Title 18
5 RCW; creating new sections; providing effective dates; and providing an
6 expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** Good oral health is an integral piece of
9 overall health and well-being. Without treatment, dental diseases grow
10 progressively worse and require increasingly costly interventions.
11 Dental-related issues are a leading reason that Washingtonians seek
12 care in the emergency room, which has become the source of care for
13 many, especially uninsured and low-income populations. However, most
14 dental diseases are easily prevented at little cost through routine
15 dental care and disease prevention. It is the intent of the
16 legislature to attempt to increase access for all Washingtonians
17 through the introduction of an evidence-based mid-level dental provider
18 that is geared towards working in, and reducing oral health disparities
19 within, Washington's communities with the greatest need. Further, it

1 is the legislature's intent that mid-level dental providers are
2 flexible enough to better meet the needs of their local community as
3 they work under the supervision and direction of a licensed Washington
4 dentist. The legislature declares that this act, creating new types of
5 dental professions, constitutes an exercise of the state's police power
6 to protect and promote the health, safety, and welfare of the residents
7 of the state in general. Accordingly, while this act is intended to
8 protect the public generally, it does not create a duty owed to any
9 individual or entity on the part of the state.
