
HOUSE BILL 1786

State of Washington 63rd Legislature 2013 Regular Session

By Representatives Stanford, Moscoso, Fitzgibbon, Lytton, and Ryu

Read first time 02/08/13. Referred to Committee on Judiciary.

1 AN ACT Relating to creation of an animal abuser registry; adding a
2 new chapter to Title 16 RCW; and prescribing penalties.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that:

5 (1) Studies in psychology, sociology, and criminology have
6 demonstrated that violent offenders frequently have childhood and
7 adolescent histories of serious and repeated animal cruelty;

8 (2) The federal bureau of investigation has recognized this
9 connection since the 1970s, when its analysis of the lives of serial
10 killers suggested that most had killed or tortured animals during their
11 life;

12 (3) Other research has shown consistent patterns of animal cruelty
13 among perpetrators of more common forms of violence, including child
14 abuse, spouse abuse, and elder abuse, leading the American psychiatric
15 association to consider animal cruelty as one of the diagnostic
16 criteria of conduct disorder;

17 (4) It is a compelling and necessary public interest that the
18 public have information concerning persons convicted of severe animal

1 abuse offenses, to allow members of the public to adequately protect
2 themselves and their animals from these persons;

3 (5) In balancing the abuser's due process and other rights against
4 the interests of public security, the legislature finds that releasing
5 information about certain animal abusers under the circumstances
6 specified in this chapter will further the primary governmental
7 interest of protecting vulnerable populations from potential harm;

8 (6) To protect the safety and general welfare of the people of this
9 state, it is necessary to provide for registration of abusers and for
10 the public release of specified information regarding abusers. This
11 policy of authorizing the release of necessary and relevant information
12 about abusers to members of the public is a means of assuring public
13 protection and it is not intended that the information be used to
14 inflict retribution or additional punishment on those abusers.

15 NEW SECTION. **Sec. 2.** The definitions in this section apply
16 throughout this chapter unless the context clearly requires otherwise.

16 person's primary residence, including any out-of-state address.

6 primary or secondary residence, the animal abuser shall notify the
7 attorney general of the change of address.
