5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 **Sec. 1.** RCW 86.09.175 and 1937 c 72 s 59 are each amended to read
7 as follows:

8 (1) Contracts entered into by districts for construction (~~or~~

11 contract price, as determined by the board (~~shall determine thereon~~),
12 as the work progresses, or as the services (~~or~~), materials, or
13 maintenance are furnished, on monthly estimates of the value thereof (~~or~~
14 ~~approved by the state director. Before the district shall enter into~~
15 ~~any contract, the plans, specifications and form of contract therefor~~
16 ~~shall be approved by the state director~~)).

17 (2) Except for contracts for materials, the district must withhold
18 five percent of all payments made under subsection (1) of this section

1 until the contract is complete, as evidenced by releases issued by the
2 district.

3 **Sec. 2.** RCW 86.09.178 and 1965 c 26 s 2 are each amended to read
4 as follows:

5 ~~((Contracts for construction, or for labor or materials entering~~

9 ~~newspaper or newspapers of general circulation as the board shall~~
10 ~~designate for a period of not less than two weeks (three weekly issues)~~
11 ~~prior to the day of the opening of the bids. Such proposals shall be~~
12 ~~accompanied by a certified check for such amount as the board shall~~

20 entered into by districts for construction, services, or maintenance,
21 the estimated cost of which is twenty thousand dollars or more, may
22 only be let by contract and competitive bidding. Contracts entered
23 into by districts for purchases of materials, supplies, or equipment,
24 the estimated cost of which is forty thousand dollars or more, may only
25 be let by contract and competitive bidding. The contract and
26 competitive bidding process must comply with the following:

27 (a) The board must publish notice calling for sealed bid proposals
28 in a newspaper of general circulation in the district at least once
29 thirteen days before the deadline for submitting bid proposals. The
30 notice must state generally the work to be done, must call for sealed
31 bid proposals to be filed with the district on or before a specified
32 date and hour, and must state the time and location that submitted bid
33 proposals will be publicly opened and read. When notice is published,
34 the work, plans, and specifications for which bid proposals are being
35 requested must be on file in the district's office and be available for
36 public inspection;

1 (b) Bid proposals must be in writing and be filed at the
2 appropriate location on or before the date and hour specified in the
3 notice. Proposals must also be accompanied by a bid proposal deposit
4 in an amount not less than five percent of the total amount of the bid.
5 The bid proposal deposit must be in the form of cash, a certified
6 check, a cashier's check, a postal money order, or a surety bond issued
7 by a surety company authorized to do business in this state. A
8 proposal may not be considered unless accompanied by a bid proposal
9 deposit that meets these requirements; and

10 (c) Bid proposals must be opened and read in public by the board or
11 its designee at the time and location specified in the notice.

12 (2) The board may let the contract to the lowest responsible bidder
13 upon plans and specifications on file. The board may also reject any
14 or all bids for good cause and readvertise. The board must return the
15 deposit of any rejected bid proposal to the bidder.

16 (3) If a bid is accepted, the board must return the bid proposal
17 deposits to all unsuccessful bidders. The bid proposal deposit of the
18 successful bidder must be held until the contract between the bidder
19 and the district is executed and a performance bond for the full amount
20 of the contract price is furnished to the district in accordance with
21 the bid.

22 (4) If the successful bidder fails to enter into a contract and
23 fails to furnish a satisfactory performance bond within ten days of
24 receiving notice of the board's acceptance of the bid, the bid proposal
25 deposit is forfeited to the district. The district may recover all
26 costs and expenses, including reasonable attorneys' fees, incurred as
27 a result of the successful bidder's failure to enter into a contract
28 with the district in accordance with the bid or failure to furnish a
29 satisfactory performance bond.

30 (5) A low bidder, who claims error and fails to enter into a
31 contract with the district in accordance with the bid, is prohibited
32 from bidding on the same project if the board subsequently submits a
33 new notice calling for sealed bid proposals.

34 (6) If a satisfactory bid is not received under this section, the
35 district may complete the project by an agreed price or force account.

36 (7) This section does not restrict a district from: (a) Using
37 volunteer labor and equipment on improvements and providing

1 reimbursement for actual expenses; or (b) entering into an interlocal
2 agreement for district construction, maintenance, or other work with a
3 county, city, or other governmental entity.
