5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11 enforce the provisions of this code.

12 (3) The commissioner may:

13 (a) Make reasonable rules for effectuating any provision of this  
14 code, except those relating to his or her election, qualifications, or  
15 compensation. Rules are not effective prior to their being filed for  
16 public inspection in the commissioner's office.

17 (b) Conduct investigations to determine whether any person has  
18 violated any provision of this code.

1 (c) Conduct examinations, investigations, hearings, in addition to  
2 those specifically provided for, useful and proper for the efficient  
3 administration of any provision of this code.

4 (d) Authorize reimbursement of authorized volunteer projects,  
5 training, and travel as provided in RCW 43.03.050 and 43.03.060 and  
6 other reasonable expenses relating to volunteer recognition.

7 (4) When the governor proclaims a state of emergency under RCW  
8 43.06.010(12), the commissioner may issue an order that addresses any  
9 or all of the following matters related to insurance policies issued in

17 section may remain effective for not more than sixty days unless the  
18 commissioner extends the termination date for the order for an  
19 additional period of not more than thirty days. The commissioner may  
20 extend the order if, in the commissioner's judgment, the circumstances  
21 warrant an extension. An order of the commissioner under subsection  
22 (4) of this section is not effective after the related state of  
23 emergency is terminated by proclamation of the governor under RCW  
24 43.06.210. The order must specify, by line of insurance:

25 (a) The geographic areas in which the order applies, which must be

30 (b) The date on which the order becomes effective and the date on  
31 which the order terminates.

32 (6) The commissioner may adopt rules that establish general  
33 criteria for orders issued under subsection (4) of this section and may  
34 adopt emergency rules applicable to a specific proclamation of a state  
35 of emergency by the governor.

36 (7) The rule-making authority set forth in subsection (6) of this  
37 section does not limit or affect the rule-making authority otherwise  
38 granted to the commissioner by law.

1       **Sec. 2.** RCW 48.02.120 and 2011 c 312 s 1 are each amended to read  
2 as follows:

3       (1) The commissioner shall preserve in permanent form records of  
4 his or her proceedings, hearings, investigations, and examinations, and  
5 shall file such records in his or her office.

6       (2) The records of the commissioner and insurance filings in his or  
7 her office shall be open to public inspection, except as otherwise  
8 provided by this code.

9       (3) Except as provided in subsection (4) of this section, actuarial  
10 formulas, statistics, and assumptions submitted in support of a rate or  
11 form filing by an insurer, health care service contractor, or health  
12 maintenance organization or submitted to the commissioner upon his or  
13 her request shall be withheld from public inspection in order to  
14 preserve trade secrets or prevent unfair competition.

15       (4) For individual and small group health benefit plan rate filings  
16 submitted on or after July 1, 2011, subsection (3) of this section  
17 applies only to the numeric values of each small group rating factor  
18 used by a health carrier as authorized by RCW 48.21.045(3)(a),  
19 48.44.023(3)(a), and 48.46.066(3)(a). Subsection (3) of this section  
20 may continue to apply for a period of one year from the date a new  
21 individual or small group product filing is submitted or until the next  
22 rate filing for the product, whichever occurs earlier, if the  
23 commissioner determines that the proposed rate filing is for a new  
24 product that is distinct and unique from any of the carrier's currently  
25 or previously offered health benefit plans. Carriers must make a  
26 written request for a product classification as a new product under  
27 this subsection and must receive subsequent written approval by the  
28 commissioner for this subsection to apply.

29       (5) Unless the commissioner has determined that a filing is for a  
30 new product pursuant to subsection (4) of this section, for all  
31 individual or small group health benefit rate filings submitted on or  
32 after July 1, 2011, the health carrier must submit part I rate increase  
33 summary and part II written explanation of the rate increase as set  
34 forth by the department of health and human services and as revised  
35 from time to time at the time of filing, and the commissioner must:

36       (a) Make each filing and the part I rate increase summary and part  
37 II written explanation of the rate increase available for public

1 inspection on the tenth calendar day after the commissioner determines  
2 that the rate filing is complete and accepts the filing for review  
3 through the electronic rate and form filing system; and

4 (b) Prepare a standardized rate summary form, to explain his or her  
5 findings after the rate review process is completed. The  
6 commissioner's summary form must be included as part of the rate filing  
7 documentation and available to the public electronically.

8 **Sec. 3.** RCW 48.15.050 and 1947 c 79 s .15.05 are each amended to  
9 read as follows:

10 Every insurance contract procured and delivered as a surplus line  
11 coverage pursuant to this chapter (~~shall~~) must have stamped upon it  
12 and be initialed by or bear the name of the surplus line broker who  
13 procured it, the following:

14 "This contract is registered and delivered as a surplus line  
15 coverage under the insurance code of the state of Washington, (~~enacted~~  
16 ~~in 1947~~) Title 48 RCW."

17 **Sec. 4.** RCW 48.15.120 and 2011 c 31 s 8 are each amended to read  
18 as follows:

20 line broker must remit to the state treasurer through the commissioner

23 tax transacted by him or her during the preceding calendar year as  
24 shown by his or her annual statement filed with the commissioner, and  
25 at the same rate as is applicable to the premiums of authorized foreign  
26 insurers under this code. The tax when collected must be credited to  
27 the general fund.

28 (2) For property and casualty insurance other than industrial  
29 insurance under Title 51 RCW, if this state is the insured's home  
30 state, the tax so payable must be computed upon the entire premium  
31 under subsection (1) of this section, without regard to whether the  
32 policy covers risks or exposures that are located in this state, except  
33 when the surplus line policy covers risks or exposures located both  
34 inside and outside of the United States and its territories. In that  
35 case, the tax is computed without regard to the proportion of the

1 premium properly allocable to the risks and exposures located outside  
2 of the United States and its territories.

3 (3) For all other lines of insurance, if a surplus line policy  
4 covers risks or exposures only partially in this state, the tax so  
5 payable must be computed upon the proportion of the premium that is  
6 properly allocable to the risks or exposures located in this state.

14 such policies.

15 **Sec. 6.** RCW 48.20.435 and 2012 c 211 s 15 are each amended to read  
16 as follows:

20 covering any child under the age of twenty-six.

21 (2) Each grandfathered disability insurance contract that provides  
22 coverage for a subscriber's child must offer the option of covering any  
23 child under the age of twenty-six unless the child is eligible to  
24 enroll in an eligible health plan sponsored by the child's employer or  
25 the child's spouse's employer.

26 (3) As used in this section, "grandfathered" has the same meaning

9           ~~(2))~~ offering a health benefit plan that meets the definition of  
10 bronze level in section 1302 of P.L. 111-148 of 2010, as amended, in

27 inside and outside the exchange and submit the recommendations to the  
28 legislature on whether to maintain the market rules or let them expire.

29           ~~((4))~~ (5) The commissioner shall evaluate plans offered at each  
30 actuarial value defined in section 1302 of P.L. 111-148 of 2010, as  
31 amended, and determine whether variation in prescription drug benefit  
32 cost-sharing, both inside and outside the exchange in both the  
33 individual and small group markets results in adverse selection. If  
34 so, the commissioner may adopt rules to assure substantial equivalence  
35 of prescription drug cost-sharing.

11 (1) The basic organizational document of the applicant permits the  
12 applicant to conduct business as a health maintenance organization;

13 (2) The organization has demonstrated the intent and ability to  
14 assure that comprehensive health care services will be provided in a  
15 manner to assure both their availability and accessibility;

16 (3) The organization is financially responsible and may be  
17 reasonably expected to meet its obligations to its enrolled  
18 participants. In making this determination, the commissioner (~~shall~~)  
19 must consider among other relevant factors:

6 secretary of the department of health and human services, pursuant to  
7 Public Law 93-222 or its successor, ~~((shall))~~ must use the words  
8 "health maintenance organization" or the initials "HMO" in its name,  
9 contracts, or literature. Persons who are contracting with, operating  
10 in association with, recruiting enrolled participants for, or otherwise  
11 authorized by a health maintenance organization possessing a  
12 certificate of registration to act on its behalf may use the terms  
13 "health maintenance organization" or "HMO" for the limited purpose of  
14 denoting or explaining their relationship to such health maintenance  
15 organization.

16 The department of health, at the request of the insurance  
17 commissioner, ~~((shall))~~ must inspect and review the facilities of every

28 **Sec. 13.** RCW 48.155.010 and 2010 c 27 s 4 are each amended to read  
29 as follows:

31 unless the context clearly requires otherwise.

7 corporate office held by the person.

8 (b) Control exists when any person, directly or indirectly, owns,  
9 controls, holds with the power to vote, or holds proxies representing  
10 ten percent or more of the voting securities of any other person. A  
11 presumption of control may be rebutted by a showing made in the manner  
12 provided by RCW 48.31B.005(2) and 48.31B.025(11) that control does not  
13 exist in fact. The commissioner may determine, after furnishing all  
14 persons in interest notice and opportunity to be heard and making

16 exists in fact, notwithstanding the absence of a presumption to that  
17 effect.

31 exchange for fees, dues, charges, or other consideration, provides or  
32 purports to provide access to discounts to its members on charges by  
33 providers for health care services. "Discount plan organization" also  
34 means a person or organization that contracts with providers, provider  
35 networks, or other discount plan organizations to offer discounts on

2 (i) Pharmacy benefit managers;  
3 (ii) Health care provider networks, when the network's only  
4 involvement in discount plans is contracting with the plan to provide  
5 discounts to the plan's members;  
6 (iii) Marketers who market the discount plans of discount plan  
7 organizations which are licensed under this chapter as long as all  
8 written communications of the marketer in connection with a discount

20 person or entity that negotiates directly or indirectly with a discount  
21 plan organization on behalf of more than one provider to provide health  
22 care services to members.  
23 (9) "Health care services" has the same meaning as in RCW  
24 48.43.005(~~(+17)~~).
