State of Washington

63rd Legislature

2013 Regular Session

By Senators Kohl-Welles, Frockt, Bailey, Shin, Hasegawa, and Chase; by request of State Board for Community and Technical Colleges

Read first time 02/06/13. Referred to Committee on Higher Education.

1 AN ACT Relating to high school equivalency certificates; amending  
2 RCW 18.55.040, 28A.150.305, 28A.175.105, 28A.205.040, 28A.305.190,  
3 28B.50.536, 28B.116.010, 28B.117.005, 28B.119.010, 28B.145.010,  
4 28B.145.060, 28C.10.050, 35.21.333, 36.110.140, 41.04.015, 43.215.510,  
5 70.128.120, 72.09.410, 72.09.460, 72.09.670, 74.04.535, 74.08A.250,  
6 74.08A.380, 74.12.035, 74.13.540, and 74.15.230; amending 2011 c 330 s  
7 1 (uncodified); amending 2010 c 20 s 1 (uncodified); and reenacting and  
8 amending RCW 28A.205.030, 28C.18.010, and 72.09.015.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10 **Sec. 1.** 2011 c 330 s 1 (uncodified) is amended to read as follows:  
11 The Washington state legislature has consistently provided national  
12 leadership on safe housing and support to foster youth transitioning  
13 out of foster care. Since 2006, the legislature has addressed the  
14 needs of foster youth aging out of care with medicaid to twenty-one  
15 (2007), foster care to twenty-one (2006), the independent youth housing  
16 program (2007), and Washington's alignment with the federal fostering  
17 connections act (2009). As a result of this national leadership to  
18 provide safe and basic housing to youth aging out of foster care, the

1 programs have demonstrated the significant cost-benefit to providing  
2 safe housing to our youth exiting foster care.

3 The United States congress passed the fostering connections to  
4 success and increasing adoptions act of 2008 in order to give states  
5 another financial tool to continue to provide foster care services to  
6 dependent youth who turn eighteen years old while in foster care.  
7 However, substantially declining revenues have resulted in markedly  
8 decreased funds for states to use to meet the federal requirements  
9 necessary to help these youth. Current fiscal realities require that  
10 the scope of programs must be narrowed.

11 The Washington state legislature intends to serve, within the  
12 resources available, the maximum number of foster youth who are legally  
13 dependent on the state and who reach the age of eighteen while still in  
14 foster care. The legislature intends to provide these youth continued  
15 foster care services to support basic and healthy transition into  
16 adulthood. The legislature recognizes the extremely poor outcomes of  
17 unsupported foster youth aging out of the foster care system and is  
18 committed to ensuring that those foster youth who engage in positive,  
19 age-appropriate activities receive support. It is the intent of the  
20 legislature to fully engage in the fostering connections act by  
21 providing support, including extended court supervision to foster youth  
22 pursuing a high school diploma or ((~~GED~~)) high school equivalency  
23 certificate as provided in RCW 28B.50.536 to age twenty-one with the  
24 goal of increasing support to all children up to age twenty-one who are  
25 eligible under the federal fostering connections to success act as  
26 resources become available.

27 **Sec. 2.** RCW 18.55.040 and 1996 c 191 s 32 are each amended to read  
28 as follows:

29 No applicant shall be licensed under this chapter until the  
30 applicant complies with administrative procedures, administrative  
31 requirements, and fees determined by the secretary according to RCW  
32 43.70.250 and 43.70.280. Qualifications must require that the  
33 applicant:

- 34 (1) Is eighteen years or more of age;
- 35 (2) Has graduated from high school or has received a ((~~general~~  
36 ~~equivalency degree~~)) high school equivalency certificate as provided in  
37 RCW 28B.50.536;

- 1 (3) Is of good moral character; and  
2 (4)(a) Had at least ten thousand hours of apprenticeship training  
3 under the direct supervision of a licensed ocularist; or  
4 (b) Successfully completed a prescribed course in ocularist  
5 training programs approved by the secretary; or  
6 (c) Has had at least ten thousand hours of apprenticeship training  
7 under the direct supervision of a practicing ocularist, or has the  
8 equivalent experience as a practicing ocularist, or any combination of  
9 training and supervision, not in the state of Washington; and  
10 (5) Successfully passes an examination conducted or approved by the  
11 secretary.

12 **Sec. 3.** RCW 28A.150.305 and 2002 c 291 s 1 are each amended to  
13 read as follows:

14 (1) The board of directors of school districts may contract with  
15 alternative educational service providers for eligible students.  
16 Alternative educational service providers that the school district may  
17 contract with include, but are not limited to:

- 18 (a) Other schools;  
19 (b) Alternative education programs not operated by the school  
20 district;  
21 (c) Education centers;  
22 (d) Skills centers;  
23 (e) The Washington national guard youth challenge program;  
24 (f) Dropout prevention programs; or  
25 (g) Other public or private organizations, excluding sectarian or  
26 religious organizations.

27 (2) Eligible students include students who are likely to be  
28 expelled or who are enrolled in the school district but have been  
29 suspended, are academically at risk, or who have been subject to  
30 repeated disciplinary actions due to behavioral problems.

31 (3) If a school district board of directors chooses to initiate  
32 specialized programs for students at risk of expulsion or who are  
33 failing academically by contracting out with alternative educational  
34 service providers identified in subsection (1) of this section, the  
35 school district board of directors and the organization must specify  
36 the specific learning standards that students are expected to achieve.

1 Placement of the student shall be jointly determined by the school  
2 district, the student's parent or legal guardian, and the alternative  
3 educational service provider.

4 (4) For the purpose of this section, the superintendent of public  
5 instruction shall adopt rules for reporting and documenting enrollment.  
6 Students may reenter at the grade level appropriate to the student's  
7 ability. Students who are sixteen years of age or older may take (~~the~~  
8 ~~GED~~) a test to earn a high school equivalency certificate as provided  
9 in RCW 28B.50.536 in accordance with rules adopted under RCW  
10 28A.305.190.

11 (5) The board of directors of school districts may require that  
12 students who would otherwise be suspended or expelled attend schools or  
13 programs listed in subsection (1) of this section as a condition of  
14 continued enrollment in the school district.

15 **Sec. 4.** 2010 c 20 s 1 (uncodified) is amended to read as follows:

16 (1) In every school district there are older youth who have become  
17 disengaged with the traditional education program of public high  
18 schools. They may have failed multiple classes and are far behind in  
19 accumulating credits to graduate. They do not see a high school  
20 diploma as an achievable goal. They may have dropped out of school  
21 entirely. They are not likely to become reengaged in their education  
22 by the prospect of reenrollment in a traditional or even an alternative  
23 high school.

24 (2) For many years, school districts, community and technical  
25 colleges, and community-based organizations have created partnerships  
26 to provide appropriate educational programs for these students.  
27 Programs such as career education options and career link have  
28 successfully offered individualized academic instruction, case  
29 management support, and career-oriented skills in an age-appropriate  
30 learning environment to hundreds of disengaged older youth.  
31 Preparation for (~~the~~~~GED~~) a test to earn a high school equivalency  
32 certificate as provided in RCW 28B.50.536 in accordance with rules  
33 adopted under RCW 28A.305.190 is provided but is not the end goal for  
34 students.

35 (3) However, in recent years, many of these partnerships have  
36 ceased to operate. The laws and rules authorizing school districts to  
37 contract using basic education allocations do not provide sufficient

1 guidance and instead present barriers. Program providers are forced to  
2 adapt to rules that were not written to address the needs of the  
3 students being served. Questions and concerns about liability,  
4 responsibility, and administrative burden have caused districts  
5 reluctantly to abandon their partnerships, and consequently leave  
6 hundreds of students without a viable alternative for continuing their  
7 public education.

8 (4) Therefore the legislature intends to provide a statutory  
9 framework to support a statewide dropout reengagement system for older  
10 youth. The framework clarifies and standardizes funding, programs, and  
11 administration by directing the office of the superintendent of public  
12 instruction to develop model contracts and interlocal agreements. It  
13 is the legislature's intent to encourage school districts, community  
14 and technical colleges, and community-based organizations to  
15 participate in this system and provide appropriate instruction and  
16 services to reengage older students and help them make progress toward  
17 a meaningful credential and career skills.

18 **Sec. 5.** RCW 28A.175.105 and 2010 c 20 s 3 are each amended to read  
19 as follows:

20 The definitions in this section apply throughout RCW 28A.175.100  
21 through 28A.175.110 unless the context clearly requires otherwise:

22 (1) "Dropout reengagement program" means an educational program  
23 that offers at least the following instruction and services:

24 (a) Academic instruction, including but not limited to ((GED))  
25 preparation to earn a high school equivalency certificate as provided  
26 in RCW 28B.50.536 in accordance with rules adopted under RCW  
27 28A.305.190, academic skills instruction, and college and work  
28 readiness preparation, that generates credits that can be applied to a  
29 high school diploma from the student's school district or from a  
30 community or technical college under RCW 28B.50.535 and has the goal of  
31 enabling the student to obtain the academic and work readiness skills  
32 necessary for employment or postsecondary study. A dropout  
33 reengagement program is not required to offer instruction in only those  
34 subject areas where a student is deficient in accumulated credits.  
35 Academic instruction must be provided by teachers certified by the  
36 Washington professional educator standards board or by instructors

1 employed by a community or technical college whose required credentials  
2 are established by the college;

3 (b) Case management, academic and career counseling, and assistance  
4 with accessing services and resources that support at-risk youth and  
5 reduce barriers to educational success; and

6 (c) If the program provider is a community or technical college,  
7 the opportunity for qualified students to enroll in college courses  
8 that lead to a postsecondary degree or certificate. The college may  
9 not charge an eligible student tuition for such enrollment.

10 (2) "Eligible student" means a student who:

11 (a) Is at least sixteen but less than twenty-one years of age at  
12 the beginning of the school year;

13 (b) Is not accumulating sufficient credits toward a high school  
14 diploma to reasonably complete a high school diploma from a public  
15 school before the age of twenty-one or is recommended for the program  
16 by case managers from the department of social and health services or  
17 the juvenile justice system; and

18 (c) Is enrolled or enrolls in the school district in which the  
19 student resides, or is enrolled or enrolls in a nonresident school  
20 district under RCW 28A.225.220 through 28A.225.230.

21 (3) "Full-time equivalent eligible student" means an eligible  
22 student whose enrollment and attendance meet criteria adopted by the  
23 office of the superintendent of public instruction specifically for  
24 dropout reengagement programs. The criteria shall be:

25 (a) Based on the community or technical college credits generated  
26 by the student if the program provider is a community or technical  
27 college; and

28 (b) Based on a minimum amount of planned programming or instruction  
29 and minimum attendance by the student rather than hours of seat time if  
30 the program provider is a community-based organization.

31 **Sec. 6.** RCW 28A.205.030 and 1993 c 218 s 2 and 1993 c 211 s 3 are  
32 each reenacted and amended to read as follows:

33 The superintendent of public instruction shall adopt, by rules,  
34 policies and procedures to permit a prior common school dropout to  
35 reenter at the grade level appropriate to such individual's ability:  
36 PROVIDED, That such individual shall be placed with the class he or she  
37 would be in had he or she not dropped out and graduate with that class,

1 if the student's ability so permits notwithstanding any loss of credits  
2 prior to reentry and if such student earns credits at the normal rate  
3 subsequent to reentry.

4 Notwithstanding any other provision of law, any certified education  
5 center student sixteen years of age or older, upon completion of an  
6 individual student program, (~~shall be~~) is eligible to take (the  
7 general educational development) a test to earn a high school  
8 equivalency certificate as provided in RCW 28B.50.536 in accordance  
9 with rules adopted under RCW 28A.305.190 as given throughout the state.

10 **Sec. 7.** RCW 28A.205.040 and 2006 c 263 s 412 are each amended to  
11 read as follows:

12 (1)(a) From funds appropriated for that purpose, the superintendent  
13 of public instruction shall pay fees to a certified center on a monthly  
14 basis for each student enrolled in compliance with RCW 28A.205.020.  
15 The superintendent shall set fees by rule.

16 (b) Revisions in such fees proposed by an education center shall  
17 become effective after thirty days notice unless the superintendent  
18 finds such a revision is unreasonable in which case the revision shall  
19 not take effect. The administration of any (~~general education~~  
20 ~~development~~) test to earn a high school equivalency certificate as  
21 provided in RCW 28B.50.536 in accordance with rules adopted under RCW  
22 28A.305.190 shall not be a part of such initial diagnostic procedure.

23 (c) Reimbursements shall not be made for students who are absent.

24 (d) No center shall make any charge to any student, or the  
25 student's parent, guardian or custodian, for whom a fee is being  
26 received under the provisions of this section.

27 (2) Payments shall be made from available funds first to those  
28 centers that have in the judgment of the superintendent demonstrated  
29 superior performance based upon consideration of students' educational  
30 gains taking into account such students' backgrounds, and upon  
31 consideration of cost effectiveness. In considering the cost  
32 effectiveness of nonprofit centers the superintendent shall take into  
33 account not only payments made under this section but also factors such  
34 as tax exemptions, direct and indirect subsidies or any other cost to  
35 taxpayers at any level of government which result from such nonprofit  
36 status.

1 (3) To be eligible for such payment, every such center, without  
2 prior notice, shall permit a review of its accounting records by  
3 personnel of the state auditor during normal business hours.

4 (4) If total funds for this purpose approach depletion, the  
5 superintendent shall notify the centers of the date after which further  
6 funds for reimbursement of the centers' services will be exhausted.

7 **Sec. 8.** RCW 28A.305.190 and 2010 c 20 s 6 are each amended to read  
8 as follows:

9 The state board of education shall adopt rules governing the  
10 eligibility of a child sixteen years of age and under nineteen years of  
11 age to take ~~((the GED))~~ a test to earn a high school equivalency  
12 certificate as provided in RCW 28B.50.536 if the child provides a  
13 substantial and warranted reason for leaving the regular high school  
14 education program, if the child was home-schooled, or if the child is  
15 an eligible student enrolled in a dropout reengagement program under  
16 RCW 28A.175.100 through 28A.175.110.

17 **Sec. 9.** RCW 28B.50.536 and 1993 c 218 s 3 are each amended to read  
18 as follows:

19 (1) Subject to rules adopted by the state board of education under  
20 RCW 28A.305.190, the state board for community and technical colleges  
21 shall adopt rules governing the eligibility of persons sixteen years of  
22 age and older to take ~~((the general educational development))~~ a test to  
23 earn a high school equivalency certificate, rules governing the  
24 administration of the test, and rules governing the issuance of a high  
25 school equivalency certificate ~~((of educational competence))~~ to persons  
26 who successfully complete the test.

27 (2) A high school equivalency certificate is a certificate issued  
28 jointly by the college board and the office of the superintendent of  
29 public instruction that indicates that the holder has attained standard  
30 scores at or above the minimum proficiency level prescribed by the  
31 college board on a high school equivalency test.

32 (3) High school equivalency certificates ~~((of educational~~  
33 competence)) issued under this section shall be issued in such form and  
34 substance as agreed upon by the state board for community and technical  
35 colleges and superintendent of public instruction.

1           **Sec. 10.** RCW 28B.116.010 and 2012 c 229 s 568 are each amended to  
2 read as follows:

3           Unless the context clearly requires otherwise, the definitions in  
4 this section apply throughout this chapter.

5           (1) "Cost of attendance" means the cost associated with the  
6 attendance of the institution of higher education as determined by the  
7 office of student financial assistance, including but not limited to  
8 tuition, room, board, and books.

9           (2) "Eligible student" means a student who:

10           (a) Is between the ages of sixteen and twenty-three;

11           (b) Has been in foster care in the state of Washington for a  
12 minimum of six months since his or her fourteenth birthday;

13           (c) Is a financially needy student, as defined in RCW 28B.92.030;

14           (d) Is a resident student, as defined in RCW 28B.15.012(2);

15           (e) Has entered or will enter an institution of higher education in  
16 Washington state within three years of high school graduation or having  
17 successfully completed his or her ((GED)) high school equivalency  
18 certificate as provided in RCW 28B.50.536;

19           (f) Is not pursuing a degree in theology; and

20           (g) Makes satisfactory progress towards the completion of a degree  
21 or certificate program.

22           (3) "Institution of higher education" means a college or university  
23 in the state of Washington that is accredited by an accrediting  
24 association recognized as such by rule of the student achievement  
25 council.

26           (4) "Office" means the office of student financial assistance.

27           **Sec. 11.** RCW 28B.117.005 and 2007 c 314 s 1 are each amended to  
28 read as follows:

29           (1)(a) The legislature finds that in Washington, there are more  
30 than seven thousand three hundred children in foster family or group  
31 care. These children face unique obstacles and burdens as they  
32 transition to adulthood, including lacking continuity in their  
33 elementary and high school educations. As compared to the general  
34 population of students, twice as many foster care youth change schools  
35 at least once during their elementary and secondary school careers, and  
36 three times as many change schools at least three times. Only thirty-  
37 four percent of foster care youth graduate from high school within four

1 years, compared to seventy percent for the general population. Of the  
2 former foster care youth who earn a high school diploma, more than  
3 twenty-eight percent earn a ((GED)) high school equivalency certificate  
4 as provided in RCW 28B.50.536 instead of a traditional high school  
5 diploma. This is almost six times the rate of the general population.  
6 Research indicates that ((GED)) holders of high school equivalency  
7 certificates tend not to be as economically successful as the holders  
8 of traditional high school diplomas. Only twenty percent of former  
9 foster care youth who earn a high school degree enroll in college,  
10 compared to over sixty percent of the population generally. Of the  
11 former foster care youth who do enroll in college, very few go on to  
12 earn a degree. Less than two percent of former foster care youth hold  
13 bachelor's degrees, compared to twenty-eight percent of Washington's  
14 population generally.

15 (b) Former foster care youth face two critical hurdles to enrolling  
16 in college. The first is a lack of information regarding preparation  
17 for higher education and their options for enrolling in higher  
18 education. The second is finding the financial resources to fund their  
19 education. As a result of the unique hurdles and challenges that face  
20 former foster care youth, a disproportionate number of them are part of  
21 society's large group of marginalized youth and are at increased risk  
22 of continuing the cycle of poverty and violence that frequently plagues  
23 their families.

24 (c) Former foster care youth suffer from mental health problems at  
25 a rate greater than that of the general population. For example, one  
26 in four former foster care youth report having suffered from  
27 posttraumatic stress disorder within the previous twelve months,  
28 compared to only four percent of the general population. Similarly,  
29 the incidence of major depression among former foster care youth is  
30 twice that of the general population, twenty percent versus ten  
31 percent.

32 (d) There are other barriers for former foster care youth to  
33 achieving successful adulthood. One-third of former foster care youth  
34 live in households that are at or below the poverty level. This is  
35 three times the rate for the general population. The percentage of  
36 former foster care youth who report being homeless within one year of  
37 leaving foster care varies from over ten percent to almost twenty-five  
38 percent. By comparison, only one percent of the general population

1 reports having been homeless at sometime during the past year. One in  
2 three former foster care youth lack health insurance, compared to less  
3 than one in five people in the general population. One in six former  
4 foster care youth receive cash public assistance. This is five times  
5 the rate of the general population.

6 (e) Approximately twenty-five percent of former foster care youth  
7 are incarcerated at sometime after leaving foster care. This is four  
8 times the rate of incarceration for the general population. Of the  
9 former foster care youth who "age out" of foster care, twenty-seven  
10 percent of the males and ten percent of the females are incarcerated  
11 within twelve to eighteen months of leaving foster care.

12 (f) Female former foster care youth become sexually active more  
13 than seven months earlier than their nonfoster care counterparts, have  
14 more sexual partners, and have a mean age of first pregnancy of almost  
15 two years earlier than their peers who were not in foster care.

16 (2) The legislature intends to create the passport to college  
17 promise pilot program. The pilot program will initially operate for a  
18 six-year period, and will have two primary components, as follows:

19 (a) Significantly increasing outreach to foster care youth between  
20 the ages of fourteen and eighteen regarding the higher education  
21 opportunities available to them, how to apply to college, and how to  
22 apply for and obtain financial aid; and

23 (b) Providing financial aid to former foster care youth to assist  
24 with the costs of their public undergraduate college education.

25 **Sec. 12.** RCW 28B.119.010 and 2011 1st sp.s. c 11 s 231 are each  
26 amended to read as follows:

27 The office of student financial assistance shall design the  
28 Washington promise scholarship program based on the following  
29 parameters:

30 (1) Scholarships shall be awarded to students graduating from  
31 public and approved private high schools under chapter 28A.195 RCW,  
32 students participating in home-based instruction as provided in chapter  
33 28A.200 RCW, and persons twenty-one years of age or younger receiving  
34 a ((~~GED certificate~~)) high school equivalency certificate as provided  
35 in RCW 28B.50.536, who meet both an academic and a financial  
36 eligibility criteria.

37 (a) Academic eligibility criteria shall be defined as follows:

1 (i) Beginning with the graduating class of 2002, students  
2 graduating from public and approved private high schools under chapter  
3 28A.195 RCW must be in the top fifteen percent of their graduating  
4 class, as identified by each respective high school at the completion  
5 of the first term of the student's senior year; or

6 (ii) Students graduating from public high schools, approved private  
7 high schools under chapter 28A.195 RCW, students participating in home-  
8 based instruction as provided in chapter 28A.200 RCW, and persons  
9 twenty-one years of age or younger receiving a (~~GED certificate~~) high  
10 school equivalency certificate as provided in RCW 28B.50.536, must  
11 equal or exceed a cumulative scholastic assessment test I score of  
12 twelve hundred on their first attempt or must equal or exceed a  
13 composite American college test score of twenty-seven on their first  
14 attempt.

15 (b) To meet the financial eligibility criteria, a student's family  
16 income shall not exceed one hundred thirty-five percent of the state  
17 median family income adjusted for family size, as determined by the  
18 office of student financial assistance for each graduating class.  
19 Students not meeting the eligibility requirements for the first year of  
20 scholarship benefits may reapply for the second year of benefits, but

4 read as follows:

5 (1) The legislature intends that all inmates be required to  
6 participate in department-approved education programs, work programs,  
7 or both, unless exempted as specifically provided in this section.  
8 Eligible inmates who refuse to participate in available education or  
9 work programs available at no charge to the inmates shall lose  
10 privileges according to the system established under RCW 72.09.130.  
11 Eligible inmates who are required to contribute financially to an  
12 education or work program and refuse to contribute shall be placed in  
13 another work program. Refusal to contribute shall not result in a loss  
14 of privileges.

15 (2) The legislature recognizes more inmates may agree to  
16 participate in education and work programs than are available. The  
17 department must make every effort to achieve maximum public benefit by  
18 placing inmates in available and appropriate education and work  
19 programs.

20 (3)(a) The department shall, to the extent possible and considering  
21 all available funds, prioritize its resources to meet the following  
22 goals for inmates in the order listed:

23 (i) Achievement of basic academic skills through obtaining a high  
24 school diploma or (~~its equivalent~~) a high school equivalency  
25 certificate as provided in RCW 28B.50.536;

26 (ii) Achievement of vocational skills necessary for purposes of  
27 work programs and for an inmate to qualify for work upon release;

28 (iii) Additional work and education programs necessary for  
29 compliance with an offender's individual reentry plan under RCW  
30 72.09.270 with the exception of postsecondary education degree programs  
31 as provided in RCW 72.09.465; and

32 (iv) Other appropriate vocational, work, or education programs that  
33 are not necessary for compliance with an offender's individual reentry  
34 plan under RCW 72.09.270 with the exception of postsecondary education  
35 degree programs as provided in RCW 72.09.465.

36 (b) If programming is provided pursuant to (a)(i) through (iii) of

1 this subsection, the department shall pay the cost of such programming,  
2 including but not limited to books, materials, supplies, and postage  
3 costs related to correspondence courses.

4 (c) If programming is provided pursuant to (a)(iv) of this  
5 subsection, inmates shall be required to pay all or a portion of the  
6 costs, including books, fees, and tuition, for participation in any  
7 vocational, work, or education program as provided in department  
8 policies. Department policies shall include a formula for determining  
9 how much an offender shall be required to pay. The formula shall  
10 include steps which correlate to an offender average monthly income or  
11 average available balance in a personal inmate savings account and  
12 which are correlated to a prorated portion or percent of the per credit  
13 fee for tuition, books, or other ancillary costs. The formula shall be  
14 reviewed every two years. A third party may pay directly to the  
15 department all or a portion of costs and tuition for any programming  
16 provided pursuant to (a)(iv) of this subsection on behalf of an inmate.  
17 Such payments shall not be subject to any of the deductions as provided  
18 in this chapter.

19 (d) The department may accept any and all donations and grants of  
20 money, equipment, supplies, materials, and services from any third  
21 party, including but not limited to nonprofit entities, and may  
22 receive, utilize, and dispose of same to complete the purposes of this  
23 section.

24 (e) Any funds collected by the department under (c) and (d) of this  
25 subsection and subsections (8) and (9) of this section shall be used  
26 solely for the creation, maintenance, or expansion of inmate  
27 educational and vocational programs.

28 (4) The department shall provide access to a program of education  
29 to all offenders who are under the age of eighteen and who have not met  
30 high school graduation (~~(or general equivalency diploma)~~) requirements  
31 or requirements to earn a high school equivalency certificate as  
32 provided in RCW 28B.50.536 in accordance with chapter 28A.193 RCW. The  
33 program of education established by the department and education  
34 provider under RCW 28A.193.020 for offenders under the age of eighteen  
35 must provide each offender a choice of curriculum that will assist the  
36 inmate in achieving a high school diploma (~~(or general equivalency~~  
37 ~~diploma)~~) or high school equivalency certificate. The program of  
38 education may include but not be limited to basic education,

1 prevocational training, work ethic skills, conflict resolution  
2 counseling, substance abuse intervention, and anger management  
3 counseling. The curriculum may balance these and other rehabilitation,  
4 work, and training components.

5 (5)(a) In addition to the policies set forth in this section, the  
6 department shall consider the following factors in establishing  
7 criteria for assessing the inclusion of education and work programs in  
8 an inmate's individual reentry plan and in placing inmates in education  
9 and work programs:

10 (i) An inmate's release date and custody level. An inmate shall  
11 not be precluded from participating in an education or work program  
12 solely on the basis of his or her release date, except that inmates  
13 with a release date of more than one hundred twenty months in the  
14 future shall not comprise more than ten percent of inmates  
15 participating in a new class I correctional industry not in existence  
16 on June 10, 2004;

17 (ii) An inmate's education history and basic academic skills;

18 (iii) An inmate's work history and vocational or work skills;

19 (iv) An inmate's economic circumstances, including but not limited  
20 to an inmate's family support obligations; and

21 (v) Where applicable, an inmate's prior performance in department-  
22 approved education or work programs;

23 (b) The department shall establish, and periodically review, inmate  
24 behavior standards and program goals for all education and work  
25 programs. Inmates shall be notified of applicable behavior standards  
26 and program goals prior to placement in an education or work program  
27 and shall be removed from the education or work program if they  
28 consistently fail to meet the standards or goals.

29 (6) Eligible inmates who refuse to participate in available  
30 education or work programs available at no charge to the inmates shall  
31 lose privileges according to the system established under RCW  
32 72.09.130. Eligible inmates who are required to contribute financially  
33 to an education or work program and refuse to contribute shall be  
34 placed in another work program. Refusal to contribute shall not result  
35 in a loss of privileges.

36 (7) The department shall establish, by rule, objective medical  
37 standards to determine when an inmate is physically or mentally unable  
38 to participate in available education or work programs. When the

1 department determines an inmate is permanently unable to participate in  
2 any available education or work program due to a health condition, the  
3 inmate is exempt from the requirement under subsection (1) of this  
4 section. When the department determines an inmate is temporarily  
5 unable to participate in an education or work program due to a medical  
6 condition, the inmate is exempt from the requirement of subsection (1)  
7 of this section for the period of time he or she is temporarily  
8 disabled. The department shall periodically review the medical  
9 condition of all inmates with temporary disabilities to ensure the  
10 earliest possible entry or reentry by inmates into available  
11 programming.

12 (8) The department shall establish policies requiring an offender  
13 to pay all or a portion of the costs and tuition for any vocational  
14 training or postsecondary education program if the offender previously  
15 abandoned coursework related to education or vocational training  
16 without excuse as defined in rule by the department. Department  
17 policies shall include a formula for determining how much an offender  
18 shall be required to pay. The formula shall include steps which  
19 correlate to an offender average monthly income or average available  
20 balance in a personal inmate savings account and which are correlated  
21 to a prorated portion or percent of the per credit fee for tuition,  
22 books, or other ancillary costs. The formula shall be reviewed every  
23 two years. A third party may pay directly to the department all or a  
24 portion of costs and tuition for any program on behalf of an inmate  
25 under this subsection. Such payments shall not be subject to any of  
26 the deductions as provided in this chapter.

27 (9) Notwithstanding any other provision in this section, an inmate  
28 sentenced to life without the possibility of release, sentenced to  
29 death under chapter 10.95 RCW, or subject to the provisions of 8 U.S.C.  
30 Sec. 1227:

33 security;

34 (b) May receive not more than one postsecondary academic degree in  
35 a program offered by the department or its contracted providers;
