27 the department must notify the house of representatives and senate
28 transportation committees, the sponsoring organization, and the state
29 treasurer, and begin distributing the revenue as otherwise provided by
30 law.

31 (3) If reimbursement does not occur within two years from the date
32 the special license plate is first offered for sale to the public, the
33 special license plate series must be placed in probationary status for
34 a period of one year from that date. If the state is still not fully
35 reimbursed for its implementation costs after the one-year probation,
36 the special license plate series must be discontinued immediately.

1 Special license plates issued before discontinuation are valid until
2 replaced ((~~under RCW 46.16A.200(10)~~)).

11 license plate applicant's application has been approved by the
12 legislature, the director shall request that the money be transferred
13 to the motor vehicle fund created in RCW 46.68.070.

14 (6) After the department receives written notice that the special
15 license plate applicant's application has been denied by the department
16 or the legislature, the director shall provide a refund to the
17 applicant within thirty days.

18 (7) After the department receives written notice that the special

21 applicant within thirty days.

22 **Sec. 6.** RCW 46.18.140 and 2010 1st sp.s. c 7 s 97 and 2010 c 161
23 s 609 are each reenacted and amended to read as follows:

24 (1) A special license plate series created by the legislature after
25 January 1, 2011, that has not been reviewed and approved by the
26 department is subject to the following requirements:

27 (a) The organization sponsoring the license plate series shall,
28 within thirty days of enactment of the legislation creating the special
29 license plate series, submit prepayment of all start-up costs
30 associated with the creation and implementation of the special license
31 plate in an amount determined by the department. The prepayment will
32 be credited to the motor vehicle fund created in RCW 46.68.070. The
33 creation and implementation of the special license plate series may not
34 begin until payment is received by the department.

35 (b) If the sponsoring organization is not able to meet the
36 prepayment requirements in (a) of this subsection and can demonstrate
37 this fact to the satisfaction of the department, the revenues generated

1 from the sale of the special license plates must be deposited in the
2 motor vehicle fund created in RCW 46.68.070 until the department
3 determines that the state's portion of the implementation costs have
4 been fully reimbursed. When it has determined that the state has been
5 fully reimbursed, the department must notify the treasurer to commence
6 distribution of the revenue according to statutory provisions.

7 (c) The sponsoring organization must provide a proposed special
8 license plate design to the department within thirty days of enactment
9 of the legislation creating the special license plate series.

10 (2) The state must be reimbursed for its portion of the
11 implementation costs within two years from the date the new special
12 license plate series goes on sale to the public. If the reimbursement
13 does not occur within the two-year time frame, the special license
14 plate series must be placed in probationary status for a period of one
15 year from that date. If the state is still not fully reimbursed for
16 its implementation costs after the one-year probation, the special
17 license plate series must be discontinued immediately. Those special
18 license plates issued before discontinuation are valid until replaced
19 (~~under RCW 46.16A.200(10)~~).

20 (3) If the sponsoring organization ceases to exist or the purpose
21 of the special license plate series ceases to exist, revenues generated
22 from the sale of the special license plates must be deposited into the
23 motor vehicle fund created in RCW 46.68.070.

24 (4) A sponsoring organization may not seek to redesign its special
25 license plate series until the entire existing inventory is sold or
26 purchased by the organization itself. All costs for the redesign of a
27 special license plate series must be paid by the sponsoring
28 organization.

29 NEW SECTION. **Sec. 7.** This act applies to vehicle registrations
30 that are due or become due on or after January 1, 2015.
