21 general circulation in the county, setting forth the (~~((hours during
22 which the polls will be open, the))~~) boundaries of the proposed district

28 area of the proposed district is located in accordance with the general
29 election laws of the state and the results thereof shall be canvassed
30 by that county's canvassing board. For the purpose of conducting an
31 election under this section, the auditor of the county in which the

2 at least thirty days preceding the date of the election. The ballot
3 proposition shall be in substantially the following form:

23 and powers set forth in this chapter, or necessarily incident thereto.

24 If a majority of the persons voting on the proposition shall vote
25 in favor thereof, all expenses of the election shall be paid by the
26 mosquito control district when organized. If the proposition fails to
27 receive a majority of votes in favor, the expenses of the election
28 shall be borne by the respective counties in which the district is
29 located in proportion to the number of votes cast in said counties.

30 **Sec. 8.** RCW 27.12.370 and 2011 c 10 s 78 are each amended to read
31 as follows:

32 The county legislative authority or authorities shall, by
33 resolution, call a special election to be held in such city or town at

11 the following form:

12 "Shall the city or town of be annexed to and be
13 a part of library district?
14 YES
15 NO

16 If a majority of the persons voting on the proposition shall vote
17 in favor thereof, the city or town shall thereupon be annexed and shall
18 be a part of such library district.

19 **Sec. 9.** RCW 27.12.100 and 1965 c 63 s 1 are each amended to read
20 as follows:

21 An intercounty rural library district shall be established by joint
22 action of two or more counties proceeding by either of the following
23 alternative methods:

24 (1) The boards of county commissioners of any two or more counties
25 shall adopt identical resolutions proposing the formation of such a
26 district to include all of the areas outside of incorporated cities or
27 towns in such counties as may be designated in such resolutions. In
28 lieu of such resolutions a petition of like purport signed by ten
29 percent of the registered voters residing outside of incorporated
30 cities or towns of a county, may be filed with the county auditor
31 thereof, and shall have the same effect as a resolution. The
32 proposition for the formation of the district as stated on the petition
33 shall be prepared by the attorney general upon request of the state
34 library commission. Action to initiate the formation of such a
35 district shall become ineffective in any county if corresponding action

1 is not completed within one year thereafter by each other county
2 included in such proposal. The county auditor in each county shall
3 check the validity of the signatures on the petition and shall certify
4 to the board of county commissioners the sufficiency of the signatures.
5 If each petition contains the signatures of ten percent of the
6 registered voters residing outside the incorporated cities and towns of
7 the county, each board of county commissioners shall pass a resolution
8 calling an election for the purpose of submitting the question to the
9 voters and setting the date of said election. When such action has
10 been taken in each of the counties involved, notification shall be made
11 by each board of county commissioners to the board of county
12 commissioners of the county having the largest population according to
13 the last federal census, who shall give proper notification to each
14 county auditor. At the next general or special election held in the
15 respective counties there shall be submitted to the voters in the areas
16 outside of incorporated cities and towns a question as to whether an
17 intercounty rural library district shall be established as outlined in
18 the resolutions or petitions. (~~Notice of said election shall be given~~
19 ~~the county auditor pursuant to RCW 29.27.080. The county auditor shall~~
20 ~~provide for the printing of a separate ballot and shall provide for the~~
21 ~~distribution of ballots to the polling places pursuant to RCW~~
22 ~~29.04.020. The county auditor shall instruct the election boards in~~
23 ~~split precincts.)) The respective county canvassing boards in each
24 county to be included within the intercounty rural library district
25 shall canvass the votes and certify the results to the county auditor
26 (~~pursuant to chapter 29.62 RCW~~); the result shall then be certified
27 by each county auditor to the county auditor of the county having the
28 largest population according to the last federal census. If a majority
29 of the electors voting on the proposition in each of the counties
30 affected shall vote in favor of such district it shall thereby become
31 established, and the board of county commissioners of the county having
32 the largest population according to the last federal census shall
33 declare the intercounty rural library district established. If two or
34 more of the counties affected are in an existing intercounty rural
35 library district, then the electors in areas outside incorporated
36 cities and towns in those counties shall vote as a unit and the
37 electors in areas outside incorporated cities and towns in each of the
38 other affected counties shall vote as separate units. If a majority of~~

1 the electors voting on the proposition in the existing district and a
2 majority of the voters in any of the other affected counties shall vote
3 in favor of an expanded intercounty rural library district it shall
4 thereby become established.

5 (2) The county commissioners of two or more counties meeting in
6 joint session attended by a majority of the county commissioners of
7 each county may, by majority vote of those present, order the
8 establishment of an intercounty rural library district to include all
9 of the area outside of incorporated cities and towns in as many of the
10 counties represented at such joint meeting as shall be determined by
11 resolution of such joint meeting. If two or more counties are in an
12 existing intercounty rural library district, then a majority vote of
13 all of the commissioners present from those counties voting as a unit,
14 and a majority vote of the commissioners present from any other county
15 shall cause the joint session to order the establishment of an expanded
16 intercounty rural library district. No county, however, shall be
17 included in such district if a majority of its county commissioners
18 vote against its inclusion in such district.

19 **Sec. 10.** RCW 28A.315.275 and 1999 c 315 s 704 are each amended to
20 read as follows:

21 Notice of special elections as provided for in RCW 28A.315.265
22 shall be given by the county auditor as provided in RCW ~~((29.27.080))~~
23 29A.52.355. The notice of election shall state the purpose for which
24 the election has been called and contain a description of the
25 boundaries of the proposed new district and a statement of any terms of
26 adjustment of bonded indebtedness on which to be voted.

32 auditor of the county administering such joint district as provided in
33 RCW ~~((28A.315.380))~~ 28A.323.040.

34 ~~((At each general election, or upon approval of a request for a
35 special election as provided for in RCW 29.13.020, such county auditor
36 shall:~~

1 ~~(1) See that there shall be at least one polling place in each~~
2 ~~county;~~

3 ~~(2) At least twenty days prior to the elections concerned, certify~~
4 ~~in writing to the superintendent of the school district the number and~~
5 ~~location of the polling places established by such auditor for such~~
6 ~~regular or special elections; and~~

7 ~~(3) Do all things otherwise required by law for the conduct of such~~
8 ~~election.~~

9 ~~It is the intention of this section that the qualified electors of~~
10 ~~a joint school district shall not be forced to go to a different~~
11 ~~polling place on the same day when other elections are being held to~~
12 ~~vote for school directors of their district.))~~

13 **Sec. 12.** RCW 28A.343.010 and 1990 c 33 s 317 are each amended to
14 read as follows:

15 Whenever the directors to be elected in a school district that is
16 not divided into directors' districts are not all to be elected for the

25 are each reenacted and amended to read as follows:

26 The board of directors of every first-class school district other
27 than a school district of the first class having within its boundaries
28 a city with a population of four hundred thousand people or more which
29 is not divided into directors' districts may submit to the voters at
30 any regular school district election a proposition to authorize the
31 board of directors to divide the district into directors' districts or
32 for second-class school districts into director districts or a
33 combination of no fewer than three director districts and no more than
34 two at large positions. If a majority of the votes cast on the
35 proposition is affirmative, the board of directors shall proceed to
36 divide the district into directors' districts following the procedure

1 established in RCW ((29.70.100)) 29A.76.010. Such director districts,

11 **Sec. 39.** RCW 52.04.011 and 1999 c 105 s 1 are each amended to read
12 as follows:

13 (1) A territory adjacent to a fire protection district and not
14 within the boundaries of a city, town, or other fire protection
15 district may be annexed to the fire protection district by petition of
16 fifteen percent of the qualified registered electors residing within
17 the territory proposed to be annexed. Such territory may be located in
18 a county or counties other than the county or counties within which the
19 fire protection district is located. The petition shall be filed with
20 the fire commissioners of the fire protection district and if the fire
21 commissioners concur in the petition they shall file the petition with
22 the county auditor of the county within which the territory is located.
23 If this territory is located in more than one county, the original
24 petition shall be filed with the auditor of the county within which the
25 largest portion of the territory is located, who shall be designated as
26 the lead auditor, and a copy shall be filed with the auditor of each
27 other county within which such territory is located. Within thirty
28 days after the date of the filing of the petition the auditor shall
29 examine the signatures on the petition and certify to the sufficiency
30 or insufficiency of the signatures. If this territory is located in
31 more than one county, the auditor of each other county who receives a
32 copy of the petition shall examine the signatures and certify to the
33 lead auditor the number of valid signatures and the number of
34 registered voters residing in that portion of the territory that is
35 located within the county. The lead auditor shall certify the
36 sufficiency or insufficiency of the signatures.

1 After the county auditor has certified the sufficiency of the
2 petition, the county legislative authority or authorities, or the
3 boundary review board or boards, of the county or counties in which
4 such territory is located shall consider the proposal under the same
5 basis that a proposed incorporation of a fire protection district is
6 considered, with the same authority to act on the proposal as in a
7 proposed incorporation, as provided under chapter 52.02 RCW. If the
8 proposed annexation is approved by the county legislative authority or
9 boundary review board, the board of fire commissioners shall adopt a
10 resolution requesting the county auditor to call a special election, as
11 specified under RCW (~~(29.13.020)~~) 29A.04.330, at which the ballot
12 proposition is to be submitted. No annexation shall occur when the
13 territory proposed to be annexed is located in more than one county
14 unless the county legislative authority or boundary review board of
15 each county approves the proposed annexation.

16 (2) The county legislative authority or authorities of the county
17 or counties within which such territory is located have the authority
18 and duty to determine on an equitable basis, the amount of any
19 obligation which the territory to be annexed to the district shall
20 assume to place the property owners of the existing district on a fair
21 and equitable relationship with the property owners of the territory to
22 be annexed as a result of the benefits of annexing to a district
23 previously supported by the property owners of the existing district.
24 If a boundary review board has had its jurisdiction invoked on the
25 proposal and approves the proposal, the county legislative authority of
26 the county within which such territory is located may exercise the
27 authority granted in this subsection and require such an assumption of
28 indebtedness. This obligation may be paid to the district in yearly
29 benefit charge installments to be fixed by the county legislative
30 authority. This benefit charge shall be collected with the annual tax
31 levies against the property in the annexed territory until fully paid.
32 The amount of the obligation and the plan of payment established by the
33 county legislative authority shall be described in general terms in the
34 notice of election for annexation and shall be described in the ballot
35 proposition on the proposed annexation that is presented to the voters
36 for their approval or rejection. Such benefit charge shall be limited
37 to an amount not to exceed a total of fifty cents per thousand dollars

1 of assessed valuation: PROVIDED, HOWEVER, That the special election on
2 the proposed annexation shall be held only within the boundaries of the
3 territory proposed to be annexed to the fire protection district.

4 (3) On the entry of the order of the county legislative authority
5 incorporating the territory into the existing fire protection district,
6 the territory shall become subject to the indebtedness, bonded or
7 otherwise, of the existing district. If the petition is signed by
8 sixty percent of the qualified registered electors residing within the
9 territory proposed to be annexed, and if the board of fire
10 commissioners concur, an election in the territory and a hearing on the
11 petition shall be dispensed with and the county legislative authority
12 shall enter its order incorporating the territory into the existing
13 fire protection district.

14 **Sec. 40.** RCW 52.06.030 and 1989 c 63 s 14 are each amended to read
15 as follows:

16 The board of the merger district may, by resolution, reject or
17 approve the petition as presented, or it may modify the terms and
18 conditions of the proposed merger, and shall transmit the petition,
19 together with a copy of its resolution to the merging district.

20 If the petition is approved as presented or as modified, the board
21 of the merging district shall send an elector-signed petition, if there
22 is one, to the auditor or auditors of the county or counties in which
23 the merging district is located, who shall within thirty days examine
24 the signatures and certify to the sufficiency or insufficiency of the
25 signatures. If the merging district is located in more than one
26 county, the auditor of the county within which the largest portion of
27 the merging district is located shall be the lead auditor. Each other
28 auditor shall certify to the lead auditor the number of valid
29 signatures and the number of registered voters of the merging district
30 who reside in the county. The lead auditor shall certify as to the
31 sufficiency or insufficiency of the signatures. No signatures may be
32 withdrawn from the petition after the filing. A certificate of
33 sufficiency shall be provided to the board of the merging district,
34 which shall adopt a resolution requesting the county auditor or
35 auditors to call a special election, as provided in RCW (~~29.13.020~~)
36 29A.04.330, for the purpose of presenting the question of merging the
37 districts to the voters of the merging district.

1 If there is no elector-signed petition, the merging district board
2 shall adopt a resolution requesting the county auditor or auditors to
3 call a special election in the merging district, as specified under RCW
4 ((~~29.13.020~~)) 29A.04.330, for the purpose of presenting the question of
5 the merger to the electors.

6 **Sec. 41.** RCW 52.14.060 and 1994 c 223 s 53 are each amended to
7 read as follows:

8 The initial three members of the board of fire commissioners shall
9 be elected at the same election as when the ballot proposition is
10 submitted to the voters authorizing the creation of the fire protection
11 district. If the district is not authorized to be created, the
12 election of the initial fire commissioners shall be null and void. If
13 the district is authorized to be created, the initial fire
14 commissioners shall take office immediately when qualified. Candidates
15 shall file for each of the three separate fire commissioner positions.
16 Elections shall be held as provided in chapter ((~~29.21~~)) 29A.52 RCW,
17 with the county auditor opening up a special filing period as provided
18 in RCW ((~~29.15.170~~)) 29A.24.171 and ((~~29.15.180~~)) 42.12.070, as if
19 there were a vacancy. The person who receives the greatest number of
20 votes for each position shall be elected to that position. The terms
21 of office of the initial fire commissioners shall be staggered as
22 follows: (1) The person who is elected receiving the greatest number
23 of votes shall be elected to a six-year term of office if the election
24 is held in an odd-numbered year or a five-year term of office if the
25 election is held in an even-numbered year; (2) the person who is
26 elected receiving the next greatest number of votes shall be elected to
27 a four-year term of office if the election is held in an odd-numbered
28 year or a three-year term of office if the election is held in an even-

30 to a two-year term of office if the election is held in an odd-numbered
31 year or a one-year term of office if the election is held in an even-
32 numbered year. The initial commissioners shall take office immediately
33 when elected and qualified and their terms of office shall be
34 calculated from the first day of January in the year following their
35 election.

36 The term of office of each subsequent commissioner shall be six

1 years. Each commissioner shall serve until a successor is elected and
2 qualified and assumes office in accordance with RCW ((29.04.170))
3 29A.60.280.

4 **Sec. 42.** RCW 53.04.020 and 1992 c 147 s 1 are each amended to read
5 as follows:

19 may amend or add names thereto for ten days, when the same shall be
20 returned to the county auditor, who shall have an additional fifteen
21 days to examine the same and attach his or her certificate thereto. No
22 person having signed such petition shall be allowed to withdraw his or

11 A less than countywide port district with an assessed valuation of
12 at least one hundred fifty million dollars may be created in a county
13 that already has a less than countywide port district located within
14 its boundaries. Except as provided in this section, such a port
15 district shall be created in accordance with the procedure to create a
16 countywide port district.

17 The effort to create such a port district is initiated by the
18 filing of a petition with the county auditor calling for the creation
19 of such a port district, describing the boundaries of the proposed port
20 district, designating either three or five commissioner positions,
21 describing commissioner districts if the petitioners propose that the
22 commissioners represent districts, and providing a name for the
23 proposed port district. The petition must be signed by voters residing
24 within the proposed port district equal in number to at least ten
25 percent of such voters who voted at the last county general election.

36 on the proposed port district.

7 voting on the ballot proposition favor the creation of the port
8 district. The initial port commissioners shall be elected at the same
9 election, from districts or at large, as provided in the petition
10 initiating the creation of the port district. The election shall be

35 give notice of a special election to be held within the boundaries of
36 the territory proposed for annexation for the purpose of determining
37 whether the same shall be annexed to the district. The notice shall:

9 within the boundaries of the territory proposed for annexation; and

10 (e) Designate the places within the territory proposed for
11 annexation where the election shall be held.

12 (4) The proposition to the voters shall be expressed on ballots
13 containing the words:

14 For Annexation to District

2 associated with commissioner districts reside. The commissioner or
3 commissioners who are so assigned shall be those with the shortest
4 unexpired term or terms of office, but if the number of such
5 commissioners with the same terms of office exceeds the number that are
6 to be assigned, the board of commissioners shall select by lot from

24 increase not being imposed. The petitioner shall be notified of the
25 identification number and ballot title within this ten-day period.

26 After this notification, the petitioner shall have thirty days in
27 which to secure on petition forms the signatures of not less than

17 days, the filing officer shall confer with the petitioner concerning
18 form and style of the petition, issue an identification number for the
19 petition, and write a ballot title for the measure. The ballot title

21 question and an affirmative vote on the measure results in the tax or
22 tax rate increase being imposed and a negative answer to the question
23 and a negative vote on the measure results in the tax or tax rate
24 increase not being imposed. The petitioner shall be notified of the
25 identification number and ballot title within this ten-day period.

26 After this notification, the petitioner shall have thirty days in
27 which to secure on petition forms the signatures of not less than

21 affirmative vote on the measure results in the tax or fee being imposed
22 and a negative answer to the question and a negative vote on the
23 measure results in the tax or fee not being imposed. The petitioner
24 shall be notified of the identification number and ballot title within
25 this ten-day period.

26 After this notification, the petitioner has thirty days in which to
27 secure on petition forms the signatures of not less than fifteen

19 of the counties within which the proposed special district is located
20 shall conduct the election and prepare a list of presumed eligible
21 voters.

22 Notices for the election shall be published as provided in RCW
23 85.38.040. The special district shall be created if the proposition to

25 the voters voting on the proposition and the special district may
26 assume operations whenever the initial members of the governing body
27 are appointed as provided in RCW 85.38.070.

28 Any special district created after July 28, 1985, may only have

14 special districts, who are holding office on July 28, 1985, shall be

20 term altered so that the position will be filled at the December, 1989,
21 special district general election; and the member with the third
22 longest term of office shall have his or her term altered so that the
23 position will be filled at the December, 1987, special district general
24 election.

25 (3) The initial members of the governing body of a newly created
26 special district shall be appointed by the legislative authority of the
27 county within which the special district, or the largest portion of the
28 special district, is located. These initial governing body members
29 shall serve until their successors are elected and qualified at the
30 next special district general election held at least ninety days after
31 the special district is established. At that election the first

17 shall be the same as the requirements for the initial election in the
18 district. No primary elections may be held for the governing body of
19 a special district.

20 (5) Whenever a vacancy occurs in the governing body of a special

23 located, shall appoint a district voter to serve until a person is
24 elected, at the next special district general election occurring sixty

26 the unexpired term. The person so elected shall take office
27 immediately when qualified as defined in RCW ((~~29.01.135~~)) 29A.04.133.

28 If an election for the position which became vacant would otherwise

3 **Sec. 65.** RCW 29A.24.111 and 2006 c 206 s 5 are each amended to
4 read as follows:

5 Filing fee petitions may be rejected for the following reasons:

6 (1) The petition is not in the proper form;

7 (2) The petition clearly bears insufficient signatures;

8 (3) The petition is not accompanied by a declaration of candidacy;

9 (4) The time within which the petition and the declaration of
10 candidacy could have been filed has expired.

11 If the petition is accepted, the officer with whom it is filed
12 shall canvass the signatures contained on it and shall reject the
13 signatures of those persons who are not registered voters and the
14 signatures of those persons who are not registered to vote within the
15 jurisdiction of the office for which the filing fee petition is filed.
16 He or she shall additionally reject any signature that appears on the
17 filing fee petitions of two or more candidates for the same office, and
18 (~~shall also reject, each time it appears, the name~~) all but the first
19 valid signature of any person who signs the same petition more than
20 once.

21 If the officer with whom the petition is filed refuses to accept
22 the petition or refuses to certify the petition as bearing sufficient
23 valid signatures, the person filing the petition may appeal that action
24 to the superior court. The application for judicial review shall take
25 precedence over other cases and matters and shall be speedily heard and
26 determined.

27 **Sec. 66.** RCW 29A.40.110 and 2011 c 349 s 18, 2011 c 348 s 4, and
28 2011 c 10 s 41 are each reenacted and amended to read as follows:

29 (1) The opening and subsequent processing of return envelopes for
30 any primary or election may begin upon receipt. The tabulation of
31 (~~absentee~~) ballots must not commence until after 8:00 p.m. on the day
32 of the primary or election.

33 (2) All received return envelopes must be placed in secure
34 locations from the time of delivery to the county auditor until their
35 subsequent opening. After opening the return envelopes, the county
36 canvassing board shall place all of the ballots in secure storage until

1 processing. Ballots may be taken from the inner envelopes and all the
2 normal procedural steps may be performed to prepare these ballots for
3 tabulation.

4 (3) The canvassing board, or its designated representatives, shall
5 examine the postmark on the return envelope and signature on the
6 declaration before processing the ballot. The ballot must either be
7 received no later than 8:00 p.m. on the day of the primary or election,
8 or must be postmarked no later than the day of the primary or election.
9 All personnel assigned to verify signatures must receive training on
10 statewide standards for signature verification. Personnel shall verify
11 that the voter's signature on the ballot declaration is the same as the
12 signature of that voter in the registration files of the county.
13 Verification may be conducted by an automated verification system
14 approved by the secretary of state. A variation between the signature
15 of the voter on the ballot declaration and the signature of that voter
16 in the registration files due to the substitution of initials or the
17 use of common nicknames is permitted so long as the surname and
18 handwriting are clearly the same.

19 (4) If the postmark is missing or illegible, the date on the ballot
20 declaration to which the voter has attested determines the validity, as
21 to the time of voting, for that ballot. For overseas voters and
22 service voters, the date on the declaration to which the voter has
23 attested determines the validity, as to the time of voting, for that
24 ballot. Any overseas voter or service voter may return the signed
25 declaration and voted ballot by fax or e-mail by 8:00 p.m. on the day
26 of the primary or election, and the county auditor must use established
27 procedures to maintain the secrecy of the ballot.

28 **Sec. 67.** RCW 29A.60.221 and 2004 c 271 s 176 are each amended to
29 read as follows:

30 (1) ~~If ((the requisite number of any federal, state, county, city,~~
31 ~~or district offices have not been nominated in a primary by reason of))~~
32 two or more ((persons having)) candidates in the same race in a primary
33 receive an equal and requisite number of votes for ~~((being placed on))~~

6 ~~district, or precinct officers have not been elected by reason of))~~ two
7 or more ~~((persons having))~~ candidates in the same race in the general
8 election receive an equal and highest number of votes ~~((for one and the~~
9 ~~same office)),~~ the official empowered by state law to issue the
10 original certificate of election shall give notice to the ~~((several~~
11 ~~persons so having the highest and equal number of votes to attend at~~
12 ~~the appropriate office at the time to be appointed by that official,~~
13 ~~who shall then and there proceed))~~ candidates of the time and place
14 where the official shall publicly ~~((to))~~ decide by lot which of those
15 persons will be declared duly elected, and the official shall make out
16 and deliver to the person thus duly declared elected a certificate of

18 **Sec. 68.** RCW 35.21.005 and 2008 c 196 s 1 are each amended to read
19 as follows:

20 Wherever in this title petitions are required to be signed and
21 filed, the following rules shall govern the sufficiency thereof:

22 (1) A petition may include any page or group of pages containing an
23 identical text or prayer intended by the circulators, signers or
24 sponsors to be presented and considered as one petition and containing
25 the following essential elements when applicable, except that the
26 elements referred to in (d) and (e) of this subsection are essential
27 for petitions referring or initiating legislative matters to the
28 voters, but are directory as to other petitions:

29 (a) The text or prayer of the petition which shall be a concise
30 statement of the action or relief sought by petitioners and shall
31 include a reference to the applicable state statute or city ordinance,
32 if any;

33 (b) If the petition initiates or refers an ordinance, a true copy
34 thereof;

35 (c) If the petition seeks the annexation, incorporation,
36 withdrawal, or reduction of an area for any purpose, an accurate legal

1 description of the area proposed for such action and if practical, a
2 map of the area;

3 (d) Numbered lines for signatures with space provided beside each
4 signature for the name and address of the signer and the date of
5 signing;

6 (e) The warning statement prescribed in subsection (2) of this
7 section.

8 (2) Petitions shall be printed or typed on single sheets of white
9 paper of good quality and each sheet of petition paper having a space
10 thereon for signatures shall contain the text or prayer of the petition
11 and the following warning:

12 WARNING

13 Every person who signs this petition with any other than his or
14 her true name, or who knowingly signs more than one of these
15 petitions, or signs a petition seeking an election when he or
16 she is not a legal voter, or signs a petition when he or she is
17 otherwise not qualified to sign, or who makes herein any false
18 statement, shall be guilty of a misdemeanor.

19 Each signature shall be executed in ink or indelible pencil and
20 shall be followed by the name and address of the signer and the date of
21 signing.

22 (3) The term "signer" means any person who signs his or her own
23 name to the petition.

24 (4) To be sufficient a petition must contain valid signatures of
25 qualified registered voters or property owners, as the case may be, in
26 the number required by the applicable statute or ordinance. Within
27 three working days after the filing of a petition, the officer with
28 whom the petition is filed shall transmit the petition to the county
29 auditor for petitions signed by registered voters, or to the county

33 with reasonable promptness and shall file with the officer receiving
34 the petition for filing a certificate stating the date upon which such
35 determination was begun, which date shall be referred to as the
36 terminal date. Additional pages of one or more signatures may be added

1 to the petition by filing the same with the appropriate filing officer
2 prior to such terminal date. Any signer of a filed petition may
3 withdraw his or her signature by a written request for withdrawal filed
4 with the receiving officer prior to such terminal date. Such written
5 request shall so sufficiently describe the petition as to make
6 identification of the person and the petition certain. The name of any
7 person seeking to withdraw shall be signed exactly the same as
8 contained on the petition and, after the filing of such request for
9 withdrawal, prior to the terminal date, the signature of any person
10 seeking such withdrawal shall be deemed withdrawn.

11 (5) Petitions containing the required number of signatures shall be
12 accepted as prima facie valid until their invalidity has been proved.

13 (6) A variation on petitions between the signatures on the petition
14 and that on the voter's permanent registration caused by the
15 substitution of initials instead of the first or middle names, or both,
16 shall not invalidate the signature on the petition if the surname and
17 handwriting are the same.

18 (7) (~~Signatures, including the original, of any person who has~~
19 ~~signed a petition two or more times shall be stricken.~~) If a person
20 signs a petition more than once, all but the first valid signature must
21 be rejected.

22 (8) Signatures followed by a date of signing which is more than six
23 months prior to the date of filing of the petition shall be stricken.

24 (9) When petitions are required to be signed by the owners of
25 property, the determination shall be made by the county assessor.
26 Where validation of signatures to the petition is required, the
27 following shall apply:

28 (a) The signature of a record owner, as determined by the records
29 of the county auditor, shall be sufficient without the signature of his
30 or her spouse;

31 (b) In the case of mortgaged property, the signature of the
32 mortgagor shall be sufficient, without the signature of his or her
33 spouse;

34 (c) In the case of property purchased on contract, the signature of
35 the contract purchaser, as shown by the records of the county auditor,
36 shall be deemed sufficient, without the signature of his or her spouse;

38 involved who is duly authorized to execute deeds or encumbrances on

1 behalf of the corporation, may sign on behalf of such corporation, and

3 such corporation showing such authority;

4 (e) When the petition seeks annexation, any officer of a
5 corporation owning land within the area involved, who is duly
6 authorized to execute deeds or encumbrances on behalf of the
7 corporation, may sign under oath on behalf of such corporation. If an
8 officer signs the petition, he or she must attach an affidavit stating
9 that he or she is duly authorized to sign the petition on behalf of
10 such corporation;

11 (f) When property stands in the name of a deceased person or any
12 person for whom a guardian has been appointed, the signature of the
13 executor, administrator, or guardian, as the case may be, shall be
14 equivalent to the signature of the owner of the property; and

15 (g) When a parcel of property is owned by multiple owners, the
16 signature of an owner designated by the multiple owners is sufficient.

17 (10) The officer or officers responsible for determining the
18 sufficiency of the petition shall do so in writing and transmit the
19 written certificate to the officer with whom the petition was
20 originally filed.

21 **Sec. 69.** RCW 35.22.120 and 1965 c 7 s 35.22.120 are each amended
22 to read as follows:

27 amendment, providing for any matter within the realm of local affairs,
28 or municipal business, the said amendment shall be submitted to the

8 districts, the port commissioner districts shall be the county
9 legislative authority districts. In other instances where a port

11 shall divide the port district into commissioner districts unless the
12 commissioner districts have been described pursuant to RCW 53.04.031.
13 The commissioner districts shall be altered as provided in chapter
14 53.16 RCW.

15 Commissioner districts shall be used as follows: (a) Only a
16 registered voter who resides in a commissioner district may be a
17 candidate for, or hold office as, a commissioner of the commissioner
18 district; and (b) only the voters of a commissioner district may vote
19 at a primary to nominate candidates for a commissioner of the
20 commissioner district. Voters of the entire port district may vote at
21 a general election to elect a person as a commissioner of the
22 commissioner district.

23 (2)(a) In port districts with five commissioners, two of the
24 commissioner districts may include the entire port district if approved
25 by the voters of the district either at the time of formation or at a
26 subsequent port district election at which the issue is proposed
27 pursuant to a resolution adopted by the board of commissioners and
28 delivered to the county auditor.

29 (b) In a port district with five commissioners, where two of the
30 commissioner districts include the entire port district, the port
31 district may be divided into five commissioner districts if proposed
32 pursuant to a resolution adopted by the board of commissioners or
33 pursuant to a petition by the voters and approved by the voters of the
34 district at the next general or special election (~~occurring sixty or~~
35 ~~more days~~) after the (~~adoption of the~~) resolution or petition is
36 submitted, consistent with RCW 29A.04.330. A petition proposing such
37 an increase must be submitted to the county auditor of the county in

1 which the port district is located and signed by voters of the port
2 district at least equal in number to ten percent of the number of
3 voters in the port district who voted at the last general election.

4 Upon approval by the voters, the commissioner district boundaries
5 shall be redrawn into five districts within one hundred twenty days and
6 submitted to the county auditor pursuant to RCW 53.16.015. The new
7 commissioner districts shall be numbered one through five and the three
8 incumbent commissioners representing the three former districts shall
9 represent commissioner districts one through three. The two at large
10 incumbent commissioners shall represent commissioner districts four and
11 five. If, as a result of redrawing the district boundaries more than
12 one of the incumbent commissioners resides in one of the new
13 commissioner districts, the commissioners who reside in the same
14 commissioner district shall determine by lot which of the numbered
15 commissioner districts they shall represent for the remainder of their
16 respective terms.

17 **Sec. 74.** RCW 53.12.021 and 1994 c 223 s 82 are each amended to

19 Any less than countywide port district that uses commissioner
20 districts may cease using commissioner districts as provided in this
21 section.

22 A ballot proposition authorizing the elimination of commissioner
23 districts shall be submitted to the voters of a less than countywide
24 port district that is divided into commissioner districts if (1) a
25 petition is submitted to the port commission proposing that the port
26 district cease using commissioner districts, that is signed by
27 registered voters of the port district equal in number to at least ten
28 percent of the number of voters who voted at the last district general
29 election; or (2) the port commissioners adopt a resolution proposing
30 that the port district cease using commissioner districts. The port
31 commission shall transfer the petition or resolution immediately to the
32 county auditor who shall, when a petition is submitted, review the
33 signatures and certify its sufficiency. A ballot proposition
34 authorizing the elimination of commissioner districts shall be
35 submitted at the next district general election (~~((occurring sixty or
36 more days))~~) after a petition with sufficient signatures (~~((was))~~) or a
37 resolution is submitted, consistent with RCW 29A.04.330. If the ballot

1 proposition authorizing the port district to cease using commissioner
2 districts is approved by a simple majority vote, the port district
3 shall cease using commissioner districts at all subsequent elections.

4 **Sec. 75.** RCW 53.12.115 and 1994 c 223 s 86 are each amended to
5 read as follows:

6 A ballot proposition shall be submitted to the voters of any port
7 district authorizing an increase in the number of port commissioners to
8 five whenever the port commission adopts a resolution proposing the
9 increase in number of port commissioners or a petition proposing such
10 an increase has been submitted to the county auditor of the county in
11 which the port district is located that has been signed by voters of
12 the port district at least equal in number to ten percent of the number
13 of voters in the port district who voted at the last general election.
14 The ballot proposition shall be submitted at the next general or
15 special election (~~((occurring sixty or more days))~~) after the petition
16 (~~((was submitted))~~) or resolution (~~((was adopted))~~) is submitted,
17 consistent with RCW 29A.04.330.

18 At the next general or special election following the election in
19 which an increase in the number of port commissioners was authorized,
20 candidates for the two additional port commissioner positions shall be
21 elected as provided in RCW 53.12.130, and the voters may be asked to
22 approve the nomination of commissioners from district-wide commissioner
23 districts as permitted in RCW 53.12.010(2).

24 **Sec. 76.** RCW 53.12.130 and 1994 c 223 s 88 are each amended to
25 read as follows:

26 Two additional port commissioners shall be elected at the next
27 district general election following the election at which voters
28 authorized the increase in port commissioners to five members.

29 The port commissioners shall divide the port district into five
30 commissioner districts (~~((prior to the first day of June))~~) in the year
31 in which the two additional commissioners shall be elected, consistent
32 with chapter 29A.16 RCW and chapter 29A.76 RCW, unless the voters
33 approved the nomination of the two additional commissioners from
34 district-wide commissioner districts as permitted in RCW 53.12.010(2).
35 The new commissioner districts shall be numbered one through five and
36 the three incumbent commissioners shall represent commissioner

1 districts one through three. If, as a result of redrawing the district
2 boundaries two or three of the incumbent commissioners reside in one of
3 the new commissioner districts, the commissioners who reside in the
4 same commissioner district shall determine by lot which of the first
5 three numbered commissioner districts they shall represent for the
6 remainder of their respective terms. A primary shall be held to
7 nominate candidates from districts four and five where necessary and
8 commissioners shall be elected from commissioner districts four and
9 five at the general election. The persons elected as commissioners
10 from commissioner districts four and five shall take office immediately
11 after qualification as defined under RCW ((29.01.135)) 29A.04.133.

12 In a port district where commissioners are elected to four-year
13 terms of office, the additional commissioner thus elected receiving the
14 highest number of votes shall be elected to a four-year term of office
15 and the other additional commissioner thus elected shall be elected to
16 a term of office of two years, if the election is held in an odd-
17 numbered year, or the additional commissioner thus elected receiving
18 the highest number of votes shall be elected to a term of office of
19 three years and the other shall be elected to a term of office of one
20 year, if the election is held in an even-numbered year. In a port
21 district where the commissioners are elected to six-year terms of
22 office, the additional commissioner thus elected receiving the highest
23 number of votes shall be elected to a six-year term of office and the
24 other additional commissioner shall be elected to a four-year term of
25 office, if the election is held in an odd-numbered year, or the
26 additional commissioner receiving the highest number of votes shall be
27 elected to a term of office of five-years and the other shall be
28 elected to a three-year term of office, if the election is held in an
29 even-numbered year. The length of terms of office shall be computed
30 from the first day of January in the year following this election.

31 Successor commissioners from districts four and five shall be
32 elected to terms of either six or four years, depending on the length
33 of terms of office to which commissioners of that port district are
34 elected.

35 **Sec. 77.** RCW 53.16.015 and 1994 c 223 s 90 are each amended to
36 read as follows:

37 The port commission of a port district that uses commissioner

1 districts may redraw the commissioner district boundaries as provided
2 in (~~chapter 29.70~~) RCW 29A.76.010 at any time and submit the redrawn
3 boundaries to the county auditor if the port district is not
4 coterminous with a county that has the same number of county
5 legislative authority districts as the port has port commissioners.
6 The new commissioner districts shall be used at the next election at
7 which a port commissioner is regularly elected (~~that occurs at least~~
8 ~~one hundred eighty days after the redrawn boundaries have been~~
