
SUBSTITUTE SENATE BILL 6390

State of Washington

63rd Legislature

2014 Regular Session

By Senate Human Services & Corrections (originally sponsored by Senators Darneille and Chase)

READ FIRST TIME 02/07/14.

1 AN ACT Relating to forming the juvenile sentencing task force to
2 review and make recommendations regarding juvenile sentencing matters;
3 creating new sections; and providing an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that recent research
6 shows that the adolescent brain continues to develop well into the
7 twenties and does not fully mature until an adolescent reaches the age
8 of twenty-five. Until reaching full brain development, adolescents
9 lack maturity and have an underdeveloped sense of responsibility that
10 often results in impetuous and ill-considered actions and decisions.
11 Adolescents are much more likely to act on impulse, without considering
12 the consequences of their actions, and they are generally more
13 receptive and responsive to intervention and rehabilitation. Recent
14 research from the Washington state institute for public policy also
15 concludes that juvenile offenders who are transferred to adult
16 jurisdiction are more likely to reoffend than if they remained under
17 the juvenile court.

18 Juvenile justice provisions that transfer a juvenile offender to
19 adult jurisdiction and often result in lengthy sentences were put into

1 place before this research was available. In light of this new
2 research, the legislature believes it is appropriate to conduct a
3 review of the intersection between the adult and juvenile justice
4 systems.

5 NEW SECTION. **Sec. 2.** (1) The legislature shall convene a task
6 force to examine juvenile sentencing reform, with the following voting
7 members:

9 of the two largest caucuses of the senate;

37 legislative members.

1 (3) The task force shall undertake a thorough review of juvenile
2 sentencing as it relates to the intersection of the adult and juvenile
3 justice systems and make recommendations for reform that promote
4 improved outcomes for youth, public safety, and taxpayer resources.
5 The review shall include, but is not limited to:

6 (a) The process and circumstances for transferring a juvenile to
7 adult jurisdiction, including discretionary and mandatory decline
8 hearings and automatic transfer to adult jurisdiction;

9 (b) Sentencing standards, term lengths, sentencing enhancements,
10 and stacking provisions that apply once a juvenile is transferred to
11 adult jurisdiction; and

12 (c) The appropriate custody, treatment, and resources for declined
13 youth who will complete their term of confinement prior to reaching age
14 twenty-one.

15 (4) Staff support for the task force must be provided by the senate
16 committee services and the house of representatives office of program
17 research.

18 (5) Legislative members of the task force may be reimbursed for
19 travel expenses in accordance with RCW 44.04.120. Nonlegislative
20 members, except those representing an employer or organization, are
21 entitled to be reimbursed for travel expenses as provided in RCW
22 43.03.050 and 43.03.060.

23 (6) The expenses of the task force shall be paid jointly by the
24 senate and the house of representatives. Task force expenditures are

26 and the house executive rules committee, or their successor committees.
