

HB 1161-S3 - DIGEST

(DIGEST OF PROPOSED 3RD SUBSTITUTE)

Finds that some of the regulations adopted to implement the privatization of liquor initiative are at odds with the intent of the people to privatize and modernize both the wholesale distribution and retail sale of spirits and to make more efficient and competitive the distribution of wine.

Provides exemptions to the license issuance fee to spirits retail licensees with respect to sales of spirits in original containers to retailers licensed to sell spirits for resale and consumption at their licensed premises.
