

**HB 1681 - DIGEST**

Eliminates special immunities from prosecution for trespass, whether those immunities have been legislatively granted to the government or to private persons or entities.

Declares that it is not the intent of the legislature to change the elements of the crime of trespass, but only to make all persons subject to the same law with exceptions from uniform application of that law only for the kinds of entries onto property by law enforcement officers that are lawful as of the effective date of the act and those entries onto property by government personnel that are specified in the act.
