

HB 2124-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides for the development and exercise of continuity of operations plans by the state.

Provides that the adjutant general is responsible to the governor for developing and implementing a program for interagency coordination of continuity of operations planning by state agencies, boards, and commissions.

Gives responsibility to each state agency, board, and commission for developing an organizational continuity of operations plan that is updated and exercised annually in compliance with the program for interagency coordination of continuity of operations planning.
