

HB 2201-S - DIGEST

(AS OF HOUSE 2ND READING 2/18/14)

Establishes consistent standards for the collection of data to improve analysis of tax preferences and their benefits and public policy objective outcomes for taxpayers and relevant industries.

Makes the information subject to public disclosure wherever possible to enable and improve lawmakers' and the public's understanding of the benefits and costs of tax preferences and ensures that the release of the information does not cause economic harm to taxpayers claiming the preferences.
