

**HB 2362 - DIGEST**

Requires the director of the department of licensing to furnish to a person making satisfactory application for a vehicle registration one license plate if the vehicle as manufactured does not include a front mounting bracket.

Requires the department of licensing to design and issue an identifying sticker to certain vehicles that display a single license plate.

Requires the sticker to: (1) Be readable by the state's photo toll system; and

- (2) Link to the vehicle's license plate number; and
- (3) Be displayed in the front windshield.
