

**HB 2634-S - DIGEST**

(AS OF HOUSE 2ND READING 3/03/14)

Recognizes that certified residential service and support providers delivering services to individuals who live in their own homes have a distinct role that differs in some respects from the role of providers delivering services in facilities.

Declares that the legislature intends for the department of social and health services to undertake enforcement actions in a manner consistent with the individual rights and choices of residential service and support clients, and consistent with the principles identified in the residential care standards.

Creates a separate residential services and support account.
