

SB 5199-S2.E - DIGEST

(AS OF SENATE 2ND READING 2/05/14)

Requires the department of ecology to initiate a process to enable water right holders to change the current status of water rights that are currently being put to a different or additional place of use or acreage than is indicated on the associated water right certificate, permit, or claim when that change was done before formal approval being granted by the department and only if certain conditions are met.

Expires June 30, 2020.
