

**SB 5313 - DIGEST**

Encourages the use of low-cost alternatives to traditional construction methods, including the use of pipe bursting technology for sewer, storm water, and water delivery infrastructure.

Encourages the use of these alternatives through the public works assistance account by giving preference to projects that use low-cost alternatives to traditional construction.

Requires the public works board, in assigning a priority to a project, to consider whether the project includes low-cost alternatives to traditional construction techniques.
