

SB 5802-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Creates the climate legislative and executive work group to recommend a state program of actions and policies to reduce greenhouse gas emissions that if implemented would assure achievement of the state's emissions targets.

Requires the office of financial management to contract with an independent and objective consultant or consultants, as selected by the climate legislative and executive work group, to prepare a credible evaluation of approaches to reducing greenhouse gas emissions.

Makes an appropriation.
