

SB 5917 - DIGEST

Requires some of the revenue collected from the tax on certain spirits sales to be deposited in the impaired driving safety account to be used for improving impaired driving safety and enforcement.

Requires a visible and identifying marker on an identicard issued to a person who has been convicted of driving under the influence or physical control of a vehicle while under the influence.

Places restrictions on a person who has an identifying marker on their identicard with regard to possessing, consuming, or acquiring alcohol.
