

SB 6214-S - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Provides that industrial hemp is an agricultural product that may be grown, produced, possessed, and commercially traded in this state.

Authorizes the department of agriculture to: (1) Establish, by rule, necessary criteria for the certification of the genetic purity and identity of industrial hemp seeds as agricultural seed; and

(2) Provide technical assistance to the grower.

Requires Washington State University to study the feasibility and desirability of industrial hemp production in this state.
