

SB 6336 - DIGEST

Creates the summer expanded learning opportunities grant program to build capacity for partnerships between schools and community-based organizations to design and deliver evidence-based and innovative enrichment programs designed to prevent summer learning loss among target student populations.

Requires the office of the superintendent of public instruction to:

- (1) Identify criteria for the award of grants;

- (2) Award grants proportionately between applying community-based organizations and school districts or educational service districts; and

- (3) Contract with a statewide nonprofit organization to build capacity for, promote, and sustain an expanded learning opportunities system for elementary and secondary education and to support implementation of the summer expanded learning opportunities grant program.
