

**SB 6519 - DIGEST**

(AS OF SENATE 2ND READING 2/17/14)

Requires the office of the insurance commissioner to share with the state health care authority, collected data, information, and documents regarding public school employees' insurance benefits.

Requires the state health care authority to include in its report to the governor, legislature, and joint legislative audit and review committee, the duties and analyses based on other data, information, and documents collected by the office of the insurance commissioner regarding public school employees' insurance benefits.

Exempts from public inspection and copying under the public records act, data, information, and documents regarding public school employees' insurance benefits that are provided to the state health care authority by a school district, an entity providing coverage, the office of the insurance commissioner, or the joint legislative audit and review committee.
