26 the legislature must include the following:"

27

1 (i) A description of the oversight role for residential care  
2 services, the long-term care ombuds, the centers for medicare and  
3 medicaid services, and disability rights washington;

4 (ii) From the provider perspective, and the perspective a state  
5 agency, an overview of the process for reviewing and responding to  
6 findings by residential care services and the centers for medicare and  
7 medicaid services;

8 (iii) A description of the process for notifying the office of the  
9 governor and the legislature when problems with quality of care,  
10 client safety and well-being, or staff safety arise within community  
11 or institutional settings;

12 (iv) A compilation of findings since fiscal year 2010 by the  
13 centers for medicare and medicaid services, and residential care  
14 services, at the residential habilitation centers, nursing facilities,  
15 supported living, assisted living, group homes, companion homes, adult  
16 family homes, and all other community based providers;

17 (v) An annotated and detailed list of all responses to findings by  
18 the centers for medicare and medicaid services, and residential care  
19 services, specific to audits of the nursing facility at lakeland  
20 village since fiscal year 2010; and

21 (vi) A description of the method in place to ascertain the outcome  
22 of responses to findings."

23

24

EFFECT: The Joint Legislative Executive Committee on Aging and Disability must devote at least one meeting to a discussion of strategies to improve the quality of care, client safety and well-being, and staff safety in all community and institutional settings. Specifies certain information that must be included within the addendum report by the Joint Legislative Executive Committee on Aging and Disability.

FISCAL IMPACT: No net change to appropriated levels.
