By Representative Hudgins

1 On page 4, line 30, after "account." insert "A proprietor must
2 identify a building with one or two associated utility accounts, and
3 must notify the department that it should withhold from publishing
4 unaggregated benchmarking or energy use information related to the
5 building and associated utility accounts."
6

7 On page 5, beginning on line 1, after "(ii)" strike all material
8 through "or" on line 5 and insert "Benchmarking or energy use
9 information for a building with one or two utility customers is
10 proprietary commercial activity and must be aggregated sufficiently to
11 eliminate any adverse effects to the competitive position of a
12 building occupant or harm to"
13

14 On page 10, beginning on line 2, after "proprietor." strike all
15 material through "act." on line 5
16

EFFECT: Establishes an automatic presumption that building energy use information for buildings with one or two utility accounts is proprietary commercial activity and must be aggregated by the Department of Commerce prior to publication sufficiently to eliminate adverse effects to a business's competitive position or harm to public interest.
