1 Strike everything after the enacting clause and insert the
2 following:

3 "Sec. 1. RCW 42.56.070 and 2005 c 274 s 284 are each amended to
4 read as follows:

5 (1) Each agency, in accordance with published rules, shall make
6 available for public inspection and copying all public records,
7 unless the record falls within the specific exemptions of subsection
8 (~~((6))~~) (9) of this section, this chapter, or other statute which
9 exempts or prohibits disclosure of specific information or records.
10 To the extent required to prevent an unreasonable invasion of
11 personal privacy interests protected by this chapter, an agency shall
12 delete identifying details in a manner consistent with this chapter
13 when it makes available or publishes any public record; however, in
14 each case, the justification for the deletion shall be explained
15 fully in writing.

16 (2) For informational purposes, each agency shall publish and
17 maintain a current list containing every law, other than those listed
18 in this chapter, that the agency believes exempts or prohibits
19 disclosure of specific information or records of the agency. An
20 agency's failure to list an exemption shall not affect the efficacy
21 of any exemption.

22 (3) Each local agency shall maintain and make available for
23 public inspection and copying a current index providing identifying
24 information as to the following records issued, adopted, or
25 promulgated after January 1, 1973:

26 (a) Final opinions, including concurring and dissenting opinions,
27 as well as orders, made in the adjudication of cases;

28 (b) Those statements of policy and interpretations of policy,
29 statute, and the Constitution which have been adopted by the agency;

30 (c) Administrative staff manuals and instructions to staff that
31 affect a member of the public;

32 (d) Planning policies and goals, and interim and final planning
33 decisions;

1 (e) Factual staff reports and studies, factual consultant's
2 reports and studies, scientific reports and studies, and any other
3 factual information derived from tests, studies, reports, or surveys,
4 whether conducted by public employees or others; and

5 (f) Correspondence, and materials referred to therein, by and
6 with the agency relating to any regulatory, supervisory, or
7 enforcement responsibilities of the agency, whereby the agency
8 determines, or opines upon, or is asked to determine or opine upon,
9 the rights of the state, the public, a subdivision of state
10 government, or of any private party.

11 (4) A local agency need not maintain such an index, if to do so
12 would be unduly burdensome, but it shall in that event:

13 (a) Issue and publish a formal order specifying the reasons why
14 and the extent to which compliance would unduly burden or interfere
15 with agency operations; and

16 (b) Make available for public inspection and copying all indexes
17 maintained for agency use.

18 (5) Each state agency shall, by rule, establish and implement a
19 system of indexing for the identification and location of the
20 following records:

21 (a) All records issued before July 1, 1990, for which the agency
22 has maintained an index;

23 (b) Final orders entered after June 30, 1990, that are issued in
24 adjudicative proceedings as defined in RCW 34.05.010 and that contain
25 an analysis or decision of substantial importance to the agency in
26 carrying out its duties;

27 (c) Declaratory orders entered after June 30, 1990, that are
28 issued pursuant to RCW 34.05.240 and that contain an analysis or
29 decision of substantial importance to the agency in carrying out its
30 duties;

31 (d) Interpretive statements as defined in RCW 34.05.010 that were
32 entered after June 30, 1990; and

33 (e) Policy statements as defined in RCW 34.05.010 that were
34 entered after June 30, 1990.

35 Rules establishing systems of indexing shall include, but not be
36 limited to, requirements for the form and content of the index, its
37 location and availability to the public, and the schedule for
38 revising or updating the index. State agencies that have maintained
39 indexes for records issued before July 1, 1990, shall continue to
40 make such indexes available for public inspection and copying.

1 Information in such indexes may be incorporated into indexes prepared
2 pursuant to this subsection. State agencies may satisfy the
3 requirements of this subsection by making available to the public
4 indexes prepared by other parties but actually used by the agency in
5 its operations. State agencies shall make indexes available for
6 public inspection and copying. State agencies may charge a fee to
7 cover the actual costs of providing individual mailed copies of
8 indexes.

9 (6) A public record may be relied on, used, or cited as precedent
10 by an agency against a party other than an agency and it may be
11 invoked by the agency for any other purpose only if:

- 12 (a) It has been indexed in an index available to the public; or
13 (b) Parties affected have timely notice (actual or constructive)
14 of the terms thereof.

15 (7) Each agency shall establish, maintain, and make available for
16 public inspection and copying a statement of the actual per page cost
17 or other costs, if any, that it charges for providing photocopies of
18 public records and a statement of the factors and manner used to
19 determine the actual per page cost or other costs, if any.

20 (a) In determining the actual per page cost for providing
21 photocopies of public records, an agency may include all costs
22 directly incident to copying such public records including the actual
23 cost of the paper and the per page cost for use of agency copying
24 equipment. In determining other actual costs for providing
25 photocopies of public records, an agency may include all costs
26 directly incident to shipping such public records, including the cost
27 of postage or delivery charges and the cost of any container or
28 envelope used.

29 (b) In determining the actual per page cost or other costs for
30 providing copies of public records, an agency may not include staff
31 salaries, benefits, or other general administrative or overhead
32 charges, unless those costs are directly related to the actual cost
33 of copying the public records. Staff time to copy and mail the
34 requested public records may be included in an agency's costs.

35 (8) An agency need not calculate the actual per page cost or
36 other costs it charges for providing photocopies of public records if
37 to do so would be unduly burdensome, but in that event: The agency
38 may not charge in excess of fifteen cents per page for photocopies of
39 public records or for the use of agency equipment to photocopy public
40 records and the actual postage or delivery charge and the cost of any

1 container or envelope used to mail the public records to the
2 requestor.

3 (9)(a) This chapter shall not be construed as giving authority to
4 any agency, the office of the secretary of the senate, or the office
5 of the chief clerk of the house of representatives to give, sell or
6 provide access to lists of individuals requested for commercial
7 purposes, and agencies, the office of the secretary of the senate,
8 and the office of the chief clerk of the house of representatives
9 shall not do so unless specifically authorized or directed by law(~~(-~~
10 ~~PROVIDED, HOWEVER, That~~)). However, the lists of applicants for
11 professional licenses and of professional licensees shall be made
12 available to those professional associations or educational
13 organizations recognized by their professional licensing or
14 examination board, upon payment of a reasonable charge therefor(~~(-~~
15 ~~PROVIDED FURTHER, That~~)), and such recognition may be refused only
16 for a good cause pursuant to a hearing under the provisions of
17 chapter 34.05 RCW, the administrative procedure act.

18 (b) Before obtaining records containing the names or nonexempt
19 contact information of employees or volunteers from any agency, the
20 requester must swear under oath that he or she will not use such
21 information:

22 (i) For a commercial purpose;

23 (ii) To harass, stalk, threaten, or intimidate any person; or

24 (iii) To obtain information exempted under RCW 42.56.250 for such
25 purposes under (b)(i) or (ii) of this subsection.

37 sued in superior court by any aggrieved party, or in the name of the
38 state by the attorney general or the prosecuting authorities of
39 political subdivisions of this state. A plaintiff may recover five
40 hundred dollars for each item of information used in violation of

1 (c)(ii) of this subsection, plus costs and reasonable attorneys'
2 fees. The court may order any other appropriate civil remedy.

3 (e) For purposes of using the names or nonexempt contact
4 information of agency employees or volunteers in order to obtain
5 information exempted under RCW 42.56.250, a commercial purpose
6 includes:

7 (i) Soliciting, marketing, advertising, or self-promoting;
8 (ii) Inducing any person to economically support any entity; or
9 (iii) Inducing any person to cease or refrain from economically
10 supporting any entity.

11 (f) It is not a commercial purpose to obtain names or contact
12 information for purposes of soliciting support for or opposition to
13 any political party, candidate, or ballot measure, as defined in RCW
14 42.17A.005.
