

SHB 1646 - H AMD 101

By Representative Hunt, G.

ADOPTED 03/11/2015

1 On page 3, beginning on line 13, after "failing to" strike all
2 material through "positions" on line 15 and insert "use reasonable
3 means to provide the employee information about advancement in their
4 career tracks or positions, including but not limited to posting
5 information on internal and external websites, in employee common
6 areas, or at the employer's human resource office"

7

8

EFFECT: Modifies the factors to be considered for purposes of less favorable employment opportunities. Provides that instead of failing to provide the employee information about advancement, a factor is failing to use reasonable means to provide information about advancement, including but limited to posting information on internal and external websites, in employee common areas, or at the employer's human resource office.
