

SHB 1838 - H AMD 271

By Representative Orcutt

1 On page 2, line 14, after "(8)" insert "The department, within
2 existing resources, shall inspect the location of each proposed bait
3 station prior to issuing a permit.

4 (9)"

5 Renumber the remaining subsections consecutively and correct any
6 internal references accordingly.

EFFECT: Requires the Washington department of fish and wildlife to, within existing resources, inspect the location of each proposed bait station prior to issuing a permit.
