

SHB 1917 - H AMD TO H AMD (H-2247.1) **427**

By Representative Pollet

1 On page 7, line 23 of the striking amendment, after "(3)" insert
2 "The task force shall communicate to all jurisdictions that have
3 deployed body worn cameras by the effective date of this section all
4 requests for data and information, along with timelines for
5 providing data and review of information, within three months of the
6 effective date of this section."

7
8 On page 7, line 25 of the striking amendment, after "section."
9 strike "A participating agency" and insert "Any jurisdiction that
10 has deployed body worn cameras by the effective date of this
11 section"

12
13 On page 8, line 3 of the striking amendment, after "(7)" insert
14 "The task force shall confer with any jurisdiction attempting to
15 develop improved or lower cost methods to identify and reproduce
16 body worn camera recordings with redaction of any portion of the
17 recording that is exempt from disclosure. All jurisdictions using
18 body worn cameras are encouraged to collaborate with the task force
19 and any other jurisdiction in attempting to develop improved or
20 lower cost methods to identify and reproduce body worn camera
21 recordings with redaction of any portion of the recording that is
22 exempt from disclosure.

23 (8)"

24
25 Renumber the remaining subsections consecutively and correct any
26 internal references accordingly.

27

1 On page 8, line 7 of the striking amendment, after "data,"
2 insert "improved or lower cost methods to identify and reproduce
3 body camera recordings with redaction of any portion of the
4 recording that is exempt from disclosure,"

5

6

EFFECT: Requires the task force to request data and information from jurisdictions that have deployed body worn cameras by July 26, 2015.

Requires the task force to confer with any jurisdiction attempting to develop new low cost methods to identify and reproduce body worn camera recordings with redaction of any portion of the recording that is exempt from disclosure and encourages all jurisdictions using body worn cameras to collaborate with the task force and any other jurisdiction to develop such methods.

Requires the task force to report its findings and recommendations regarding improved or lower cost methods to identify and reproduce body camera recordings with redaction of any portion of the recording that is exempt from disclosure.
