EFFECT: Reduces the temporary additional fee authorized under  
the bill on specific licenses and permits issued by the Liquor  
Control Board from 11 percent to 6.2 percent.

Deletes the emergency clause and makes the bill contingent on

provision of a funding allocation for the licensing and modernization project from the IT pool appropriated in the operating budget bill. If the project does not receive a funding allocation by June 30, 2016, the bill does not take effect.
