

HB 2400 - H AMD 612

By Representative Fitzgibbon

ADOPTED 02/11/2016

1 On page 1, line 11, after "to" strike "a specified construction"

2

3 On page 1, line 13, after "consumption," strike all material
4 through "commodity" on line 14 and insert "provided that such steel
5 slag material is not abandoned, discarded, or placed in the solid
6 waste stream"

EFFECT: Exempts any steel slag produced to specification from solid waste management requirements, rather than requiring the steel slag to be produced to a specified construction specification in order to be exempt. Clarifies that steel slag that is abandoned, discarded, or placed in the solid waste stream is subject to solid waste management requirements.
