4 NEW SECTION. **Sec. 3.** (1) In addition to applying prospectively,
5 sections 1(4) and 2(6) of this act apply retroactively for a taxpayer
6 who has filed an appeal regarding taxes, penalties, and interest owed
7 under RCW 82.32.534 or 82.32.585 before January 1, 2016, and the
8 appeal is pending before the department of revenue or the board of
9 tax appeals as of the effective date of this section.

10 (2) Except for taxpayers described in subsection (1) of this
11 section, sections 1(4) and 2(6) of this act apply to amounts due and
12 payable under sections 1(4) and 2(6) of this act on or after July 1,
13 2017.

14 NEW SECTION. **Sec. 4.** This act takes effect July 1, 2016."

15 Correct the title.

EFFECT: Changes the initial penalty rate from 10 percent to 35 percent and delays the effective date to July 1, 2017, except for taxpayers currently under appeal. Changes the maximum penalty for not submitting the annual survey or report from 60 percent to 50 percent. The 50 percent penalty is only assessed if the taxpayer has previously been assessed a penalty for failure to submit a survey or report by the due date. Eliminates the authority under current law to impose interest in addition to any penalties that are assessed. Moves back the date by one month in which the Department of Revenue must publish its descriptive statistics. Makes technical corrections.
