

**E2SSB 5057** - H AMD TO H AMD (H-2656.4/15) **420**  
By Representative Kirby

**WITHDRAWN 4/14/2015**

1        On page 47, beginning on line 4 of the amendment, after "less"  
2        strike all material through "locomotive." on line 5 and insert "at a  
3        speed of ten miles per hour or less are exempt from the additional  
4        train crew requirements under section 32(2) of this act."

EFFECT: Exempts railroads hauling hazardous materials less than 5 miles and at a speed of less than ten miles per hour from minimum train crew requirements. Eliminates the exemption authorizing trains hauling hazardous materials a distance of less than five miles to station all required crew on the lead locomotive.
