

SB 5091 - S AMD 198
By Senator McCoy

ADOPTED 03/10/2015

1 On page 1, line 17 after "agreements." Insert "For residential
2 customers, the option must specify the percentage of electricity fueled
3 by (a) through (g), and including (i) of subsection (3) of this section,
4 and the percentage of electricity fueled by nuclear energy."

EFFECT: Requires billing statements for residential customers to distinguish percentage of electricity provided through qualified alternative energy resources as defined under current law and that provided by nuclear energy.
