SB 5111 - S AMD 23

By Senators Hargrove, Rolfes, Brown

ADOPTED 3/3/2015

21 On page 1, line 2 of the title, after "43.157.005" strike the
22 remainder of the title and insert "and 43.157.020; reenacting and
23 amending RCW 43.157.010; and creating a new section."

EFFECT: Removes conveyance of construction materials as a project
of statewide significance and adds transportation projects to the
definition of a project that qualifies for designation. Removes the

reference to the definition of renewable resource in the Energy Independence Act and provides a similar definition that excludes water, wave, ocean, or tidal power. Removes changes to the application process, restoring the requirement for an application to include a letter of approval from the local jurisdiction. Adds that the act shall be known as the Community Prosperity and Revitalization Act.
