2 following:

3 "NEW SECTION. **Sec. 1.** The definitions in this subsection apply
4 throughout this chapter unless the context clearly requires
5 otherwise.

6 (1)(a)(i) "Delivered by electronic means" includes:

7 (A) Delivery to an electronic mail address at which a party has
8 consented to receive notices or documents; or

9 (B) Posting on an electronic network or site accessible via the
10 internet, mobile application, computer, mobile device, tablet, or any
11 other electronic device, together with separate notice of the posting
12 which shall be provided by electronic mail to the address at which
13 the party has consented to receive notice or by any other delivery
14 method that has been consented to by the party.

15 (ii) "Delivered by electronic means" does not include any
16 communication between an insurer and an insurance producer relating
17 to RCW 48.17.591 and 48.17.595.

18 (b) "Party" means any recipient of any notice or document
19 required as part of an insurance transaction, including but not
20 limited to an applicant, an insured, a policyholder, or an annuity
21 contract holder.

22 (2) Subject to the requirements of this section, any notice to a
23 party or any other document required under applicable law in an
24 insurance transaction or that is to serve as evidence of insurance
25 coverage may be delivered, stored, and presented by electronic means
26 so long as it meets the requirements of the Washington electronic
27 authentication act (chapter 19.34 RCW).

28 (3) Delivery of a notice or document in accordance with this
29 section is the equivalent to any delivery method required under
30 applicable law, including delivery by first-class mail; first-class
31 mail, postage prepaid; certified mail; or registered mail.

32 (4) A notice or document may be delivered by an insurer to a
33 party by electronic means under this section only if:

1 (a) The party has affirmatively consented to that method of
2 delivery and has not withdrawn the consent;

3 (b) The party, before giving consent, has been provided with a
4 clear and conspicuous statement informing the party of:

5 (i) The right the party has to withdraw consent to have a notice
6 or document delivered by electronic means at any time, and any
7 conditions or consequences imposed in the event consent is withdrawn;

8 (ii) The types of notices and documents to which the party's
9 consent would apply;

10 (iii) The right of a party to have a notice or document; and

11 (iv) The procedures a party must follow to withdraw consent to
12 have a notice or document delivered by electronic means and to update
13 the party's electronic mail address;

14 (c) The party:

15 (i) Before giving consent, has been provided with a statement of
16 the hardware and software requirements for access to and retention of
17 notices or documents delivered by electronic means; and

18 (ii) Consents electronically, or confirms consent electronically,
19 in a manner that reasonably demonstrates that the party can access
20 information in the electronic form that will be used for notices or
21 documents delivered by electronic means as to which the party has
22 given consent; and

23 (d) After consent of the party is given, the insurer, in the
24 event a change in the hardware or software requirements needed to
25 access or retain a notice or document delivered by electronic means
26 creates a material risk that the party will not be able to access or
27 retain a subsequent notice or document to which the consent applies:

28 (i) Shall provide the party with a statement that describes:

29 (A) The revised hardware and software requirements for access to
30 and retention of a notice or document delivered by electronic means;
31 and

32 (B) The right of the party to withdraw consent without the
33 imposition of any fee, condition, or consequence that was not
34 disclosed at the time of initial consent; and

35 (ii) Complies with (b) of this subsection.

36 (5) This section does not affect requirements related to content
37 or timing of any notice or document required under applicable law.

38 (6) If this title or applicable law requiring a notice or
39 document to be provided to a party expressly requires verification or
40 acknowledgment of receipt of the notice or document, the notice or

1 document may be delivered by electronic means only if the method used
2 provides for verification or acknowledgment of receipt.

3 (7) The legal effectiveness, validity, or enforceability of any
4 contract or policy of insurance executed by a party may not be denied
5 solely because of the failure to obtain electronic consent or
6 confirmation of consent of the party in accordance with subsection
7 (4)(c)(ii) of this section.

8 (8)(a) A withdrawal of consent by a party does not affect the
9 legal effectiveness, validity, or enforceability of a notice or
10 document delivered by electronic means to the party before the
11 withdrawal of consent is effective.

12 (b) A withdrawal of consent by a party is effective within a
13 reasonable period of time, not to exceed thirty days, after receipt
14 of the withdrawal by the insurer.

15 (c) Failure by an insurer to comply with subsections (4)(d) and
16 (10) of this section may be treated, at the election of the party, as
17 a withdrawal of consent for purposes of this section.

18 (9) This section does not apply to a notice or document delivered
19 by an insurer in an electronic form before the effective date of this
20 section to a party who, before that date, has consented to receive a
21 notice or document in an electronic form otherwise allowed by law.

22 (10) If the consent of a party to receive certain notices or
23 documents in an electronic form is on file with an insurer before the
24 effective date of this section, and pursuant to this section, an
25 insurer intends to deliver additional notices or documents to such
26 party in an electronic form, then prior to delivering such additional
27 notices or documents electronically, the insurer shall:

28 (a) Provide the party with a statement that describes:

29 (i) The notices or documents that shall be delivered by
30 electronic means under this section that were not previously
31 delivered electronically; and

32 (ii) The party's right to withdraw consent to have notices or
33 documents delivered by electronic means, without the imposition of
34 any condition or consequence that was not disclosed at the time of
35 initial consent; and

36 (b) Comply with subsection (4)(b) of this section.

37 (11) An insurer shall deliver a notice or document by any other
38 delivery method permitted by law other than electronic means if:

1 (a) The insurer attempts to deliver the notice or document by
2 electronic means and has a reasonable basis for believing that the
3 notice or document has not been received by the party; or

4 (b) The insurer becomes aware that the electronic mail address
5 provided by the party is no longer valid.

6 (12) A producer shall not be subject to civil liability for any
7 harm or injury that occurs as a result of a party's election to
8 receive any notice or document by electronic means or by an insurer's
9 failure to deliver a notice or document by electronic means.

10 (13) This section does not modify, limit, or supersede the
11 provisions of the federal electronic signatures in global and
12 national commerce act (E-SIGN), P.L. 106-229, as amended.

13 NEW SECTION. **Sec. 2.** (1) Notwithstanding any other provisions
14 of this chapter, standard property and casualty insurance policy
15 forms and endorsements that do not contain personally identifiable
16 information may be mailed, delivered, or posted on the insurer's web
17 site. If the insurer elects to post insurance policy forms and
18 endorsements on its web site in lieu of mailing or delivering them to
19 the insured, it must comply with all of the following conditions:

20 (a) The policy forms and endorsements must be accessible to the
21 insured and the producer of record and remain that way for as long as
22 the policy is in force;

23 (b) After the expiration of the policy, the insurer must archive
24 its expired policy forms and endorsements for a period of six years
25 or other period required by law, and make them available upon
26 request;

27 (c) The policy forms and endorsements must be posted in a manner
28 that enables the insured and producer of record to print and save the
29 policy form and endorsements using programs or applications that are
30 widely available on the internet and free to use;

31 (d) The insurer must provide the following information in, or
32 simultaneous with, each declarations page provided at the time of
33 issuance of the initial policy and any renewals of that policy:

34 (i) A description of the exact policy and endorsement forms
35 purchased by the insured;

36 (ii) A description of the insured's right to receive, upon
37 request and without charge, a paper copy of the policy and
38 endorsements by mail;

1 (iii) The internet address where their policy and endorsements
2 are posted;

3 (iv) Notice of the insured's right, upon request and without
4 charge, to receive a paper copy of the insured's policy and
5 endorsements by mail; and

6 (v) Notice, in the manner in which the insurer customarily
7 communicates with the insured, of any changes to the forms or
8 endorsements, the insured's right to obtain, upon request and without
9 charge, a paper copy of such forms or endorsements, and the internet
10 address where such forms or endorsements are posted.

11 (2) Nothing in this section affects the timing or content of any
12 disclosure or other document required to be provided or made
13 available to any insured under applicable law.

14 NEW SECTION. **Sec. 3.** If any provision of this act or its
15 application to any person or circumstance is held invalid, the
16 remainder of the act or the application of the provision to other
17 persons or circumstances is not affected.

18 NEW SECTION. **Sec. 4.** Sections 1 and 2 of this act constitute a
19 new chapter in Title 48 RCW."
