

**SSB 5509 - S AMD 190**

By Senator Frockt

1 On page 2, starting on line 8, strike all of subsection (c).

2

3 On page 2, starting on line 10, strike all of subsection (d).

4

EFFECT: The four-part test for occupational disease is changed to a two-part test with the removal of the following two parts:

- The worker would not have ordinarily been exposed to the disease or infection outside of his or her employment.
- The disease or infection is not an ordinary condition of life to which the general public is exposed without regard to employment.
