Background:

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

The state government operates on a fiscal biennium that begins July 1 of each odd-numbered year. Supplemental budgets are typically enacted in each of the following two years after adoption of the biennial budget. Appropriations are made in the biennial and supplemental transportation budgets for the operation and capital expenses of state transportation agencies and programs.

Summary of Substitute Bill:

Appropriations are made for state transportation agencies and programs for the 2015-17 fiscal biennium, as well as revised for the 2013-15 fiscal biennium. See House Transportation Committee supporting documents for more detail.

Substitute Bill Compared to Original Bill:

The substitute bill makes changes to the operating appropriation levels and makes other changes.

Appropriation: The bill contains multiple appropriations. Please refer to the bill and supporting documents.

Fiscal Note: Not requested.

Effective Date of Substitute Bill: The bill contains an emergency clause and takes effect immediately, except for section 708, relating to high-occupancy toll lanes on State Route 167, which contains an emergency clause and takes effect July 1, 2015.

Staff Summary of Public Testimony:
