Background:

A sexual assault nurse examiner (SANE) is a registered nurse specially trained to provide evidentiary examinations of victims of sexual assaults. Although there is no state-issued license or endorsement for a SANE, the International Association of Forensic Nurses (IAFN) grants SANE certification to registered nurses who:

- complete training that meets the IAFN SANE Education Guidelines;
- meet clinical practice requirements;
- pass an examination; and
- comply with ongoing training requirements.

The only facility that offers SANE training in the state is Harborview Medical Center.

Summary:

Subject to funds appropriated for the specific purpose, the Office of Crime Victims Advocacy (OCVA) must study the availability of SANEs throughout the state. The study must:

- identify areas of the state that have an adequate number of SANEs;
- identify areas of the state that have an inadequate number of SANEs;
- develop a list of available resources for facilities in need of SANEs or SANE training; and
- identify strategies for increasing the availability of SANEs in under-served areas.

When identifying strategies for increasing the availability of SANEs, the OCVA must consider remote training or remote consultation via electronic means, mobile teams of

SANEs, costs and reimbursement rates for SANEs, and funding options. When performing the study, the OCVA must consult with experts on sexual assault victims' advocacy, experts on sexual assault investigation, and providers, including:

- the Department of Health;
- the Washington Coalition of Sexual Assault Programs;
- the Washington Association of Sheriffs and Police Chiefs;
- the Washington Association of Prosecuting Attorneys;
- the Washington State Hospital Association;
- the Harborview Center for Sexual Assault and Traumatic Stress;
- the Nursing Care Quality Assurance Commission; and
- the Washington State Nurses Association.

The OCVA must report its findings and recommendations to the Governor and the Legislature by December 1, 2016.
