### SENATE COMMITTEE ON LAW & JUSTICE

**Majority Report:** Do pass.

Signed by Senators Padden, Chair; O'Ban, Vice Chair; Pedersen, Ranking Minority Member; Darneille, Kohl-Welles, Pearson and Roach.

**Staff:** Tim Ford (786-7423)

**Background:** People who serve legal process for a fee in Washington must be at least 18 years of age, be a resident of Washington, and register as a process server with the auditor of the county where the process server resides or operates their business. The county auditor uses a registration form and current law requires the following information regarding the process server to be included:

- name;
- birth date;
- social security number;
- business name;
- business address; and
- business telephone number.

The residency and registration requirements do not apply to the following:

- a sheriff, deputy sheriff, marshal, constable, or government employee who is acting in the course of employment;
- an attorney or the attorney's employees, who are not serving process on a fee basis;
- a person who is court appointed to serve the court's process;

- a person who does not receive a fee or wage for serving process; or
- a licensed private investigator.

**Summary of Bill:** Social security numbers on process server registration forms are confidential and exempt from public disclosure except as required by federal law.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Committee/Commission/Task Force Created:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony:** PRO: The public disclosure laws require disclosure of public records unless there is a legal exemption. Social security numbers should not be disclosed, yet they are collected on registration forms for process servers. The forms are filed with the county auditor. Some counties do not disclose social security numbers but not all counties respond in the same way. If someone wanted to get back at a process server for serving a warrant, they could request a copy of the process server's registration to find out the server's social security number. This bill would make those social security numbers on process server registration forms exempt from public disclosure.

**Persons Testifying:** PRO: Representative Griffey, prime sponsor.

**Persons Signed in to Testify But Not Testifying:** No one.
