Background: The Department of Licensing issues various special vehicle license plates that may be used in lieu of standard plates. Generally, special license plates that are sponsored by a governmental or nonprofit organization have an additional fee that is due annually, with the proceeds benefiting a specific organization or purpose. Other special license plates are available to individuals that meet certain requirements. One such special plate is the Gold Star license plate, which may be issued to the mother, father, widow or widower, a biological or adopted child, an adoptive parent, a stepparent, and a foster parent or other adult that is legally responsible for the member of the armed forces who died while in service and as a result of that service. Gold Star license plates are issued without payment of any license plate fees and are replaced free of charge if the plate is lost, stolen, damaged, defaced, or destroyed.

Summary of Bill: The list of individuals who are eligible to receive a Gold Star license plate is expanded to include a sibling of the member of the armed forces who died while in service and as a result of that service.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: PRO: The family members of a member of the armed forces that is killed in service to their country are eligible to receive the national Gold Star Award and this bill makes the Gold Star plate eligible to each family member that is eligible to receive the award, and extends it to siblings. This is a meaningful award for those that have lost family to service.

Persons Testifying: PRO: Senator Rolfes, prime sponsor; David Ellingson, citizen.
