**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony:** PRO: This bill creates a great opportunity to help our small wineries by allowing additional wine tasting opportunities. This is the first expansion of the tasting rooms in 13 years. Several areas of our state including Walla Walla and Woodinville have greatly benefited from the additional locations. I would expect this to help more development in Spokane, Seattle, and Vancouver. The grouping of tasting rooms also helps other business such as hotels and restaurants. We haven't found any public safety issues with the clustering of tasting rooms.

**Persons Testifying:** PRO: John Bell, Paul Beveridge, Family Wineries of WA State.
