Background: In 2003 the Legislature authorized the creation of tourism promotion areas for the purpose of welcoming tourists and operating tourism destination marketing organizations. Legislative authorities of counties with populations between 40,000 and 1 million, and all incorporated cities and towns located in such counties, were authorized to establish tourism promotion areas and impose a charge on lodging to increase tourism and conventions within such areas. A fee may be assessed on lodging businesses of up to \$2 per night of stay. Funding must be used for advertising, publicizing, or otherwise distributing information to attract and welcome tourists, and operating tourism destination marketing organizations, to increase convention and tourism business.

Staff Summary of Public Testimony: PRO: Federal Way has a robust hotel industry that wants to establish a tourism promotion area to support tourism efforts in the community, including a new performance arts center. Since there are not neighboring jurisdictions that wish to jointly establish a tourism promotion area, this modification would allow Federal Way to establish their own tourism promotion area to support the local hotel industry.

Persons Testifying: PRO: Jeanne Burbidge, Deputy Mayor, city of Federal Way.
